Tornado Smashes Texas City In Wake Of Hurricane Carla

LET IT POUR! LET IT POUR!

Water rationing restrictions were lifted today in North Marin Water District. But Jerome B. Gilbert, the district's general manager, wasn't advocating that everyone fill the wading pool and go all-out on a watering program, as Mrs. Delford J. Kalal, children Barbara Kalal, Kevin Sherman and Mary Croughan appear to be doing at the Kalal home at 75 Grande Vista, Novato. But it's all right for the Kalals — they have a well, and are not so dependent on the water district supply. Gilbert asked that non-well-owning users cooperate in keeping down water use voluntarily until the rains come. (Independent-Journal photo)

EFFECTIVE MARCH 1

County Planning Director Resigns

MARY SUMMERS
Sets retirement date

County Planning Director Mary Summers late yesterday submitted her resignation, effective next March 1.

Mrs. Summers announced last October that she planned to resign this month. She has served more than 20 years as county planning director.

She said she will take accumulated vacation before March 1, so will not be on duty after about the end of January.

She recommended that B. D. Dobbs, principal planner who has been on the county planning staff for about 10 years, be named to succeed her.

The resignation was submitted to the county planning commission at its session yesterday. Copies also were delivered individually to members of the county board of supervisors.

Dr. William Upton, planning commission chairman, expressed regret at the resignation and immediately called the planning board into executive session.

An hour later, Upton emerged to announce the commission had voted 3 to 2, with John S. Switzer absent, to accept Mrs. Summers' recommendation of Dobbs and ask that the board of supervisors appoint him. Today, Upton reported Switzer had concurred with the majority by telephone.

The dissenting votes were cast by Felix M. Warburg and Worth Fenner, who said they felt the job should be widely advertised before an appointment is made. Warburg said today he and Fenner would submit a minority report recommending this procedure.

In her announcement of last Oct. 21 Mrs. Summers said "there are things in the planning stage right now that I would like to see completed before I retire."

She said today these have been accomplished.

She listed them as: Master plans for the Stinson Beach-Bolinas area, the San Geronimo Valley, Gallinas Valley and a revamp of the master plan for Novato—all of which have been submitted to the supervisors.

In her letter to the commission yesterday she said she was announcing her retirement at this time "so that you may at as early a date as possible recommend a replacement."

Mrs. Summers, a native of Salem, Ore., and a 1937 graduate of the University of Oregon, was 24 when she was appointed Marin planning director on April 1, 1941. She came to Marin after two years as assistant planning director of Contra Costa County.

She and her husband, Harold Summers, live in Kent Woodlands. He already is eligible to retire from his job as a planning engineer for the state and will do so at the end of this year.

She said they will remain in Marin.

"I love it here and wouldn't think of moving."

'Rare' Shark Captured In Tomales Bay

Steinhart Aquarium biologists in San Francisco today announced with pride the capture of "the first thresher shark ever caught in Tomales Bay."

But Felix Konatich of Tony's Sea Foods in Marshall, Marin's No. one shark catcher, declared "I've caught quite a few of them, though none this year. They're not rare in this bay."

The thresher exhibited at the aquarium was caught during the weekend by Frank Spenger, while helping Dr. Earl S. Herald and his colleagues from Steinhart in a study of the angel shark, a peculiar fish similar to a skate which is common in Tomales Bay.

The aquarium announcement read the 22-pound male thresher, five feet long—with half of that length being its long tail—was a rare specimen because the breed seldom comes this far north. Only five have been caught in San Francisco Bay in 100 years, said the aquarium.

"I've caught more than five myself," said Konatich nonchalantly. "They're very blue on the back, with long tails. The flesh is very much like tuna. They're harmless to people."

Konatich revealed capture Sunday of the first seven-gill shark — the maneater — taken this summer in Tomales Bay. He said he took a party of high school youths from Reno, Nev., on a shark hunting expedition to get specimens for an exhibit at the Nevada State Fair which opens next week. They took several leopard sharks, three angel sharks—and a six-foot maneater.

Typhoon Hits On Formosa —17 Killed

TAIPEI, Formosa (AP) — Typhoon Pamela smashed across northern Formosa today, killing at least 17 persons, leaving thousands homeless, and ravaging this capital of Nationalist China.

The great storm, with maximum winds of 135 miles an hour, was the worst in the memory of long-time residents of Formosa.

None of the Americans in this city of 320,000 was injured but some were isolated by flash floods.

Authorities estimated damage throughout the storm area in the millions of dollars.

The winds, hitting a peak of 108 miles an hour in Taipei, ripped off roofs, uprooted trees, blew down signboards and fences and leveled telephone lines. Light, power and water service was disrupted.

Most of Taipei's residents were kept awake through the night by howling winds that shook their homes.

Police reported 4,330 persons were left homeless in Taipei alone.

Some took refuge in old air raid shelters. Others found a haven in schools and other public buildings.

At least 27 persons were injured.

Six Dead, Scores Hurt In Galveston

GALVESTON, Tex. (AP)—The staggering backlash of hurricane Carla spawned a lethal, pre-dawn tornado in Galveston today, killing at least six persons and injuring between 50 and 60 others.

Police, digging through the mounds of collapsed homes, said they feared the toll would grow higher when the rubble is cleared.

Brad Messer, assistant executive editor of the Galveston News-Tribune, walked through the 2-by-6 block devastated area and said an estimated 100 wood homes had been crushed.

Tides three feet deep covered the tornado area, making rescue and relief difficult.

200 MILES INLAND

Carla, which touched land yesterday with blasts reaching an estimated 173 mph at one point, late this morning centered 200 miles inland between Austin and Waco and headed for southern Oklahoma.

The Weather Bureau called it a "decaying storm" with gale winds of 55 miles an hour extending 200 miles to the north and east.

"It looks as if this will be the largest single insurance loss the country has ever experienced," said Darby Hammond, Dallas executive director of Southwestern Insurance Information Service.

John White, state farm commissioner, estimated farm loss at 140 million dollars.

LOSS ESTIMATES

Galveston officials estimated hurrican losses up to 18 million dollars—before the tornado struck. Corpus Christi, Tex., authorities estimated that city's loss at 10 million dollars.

At Port Arthur, Tex., near the Louisiana line, portions of a levee crumbled today, sending water slowly toward 50 or 60 homes in suburban Port Acres, Carl Moon of the sheriff's office said.

High tides thrown up by Carla still isolated many communities and cities, including Galveston. The Weather Bureau said the tides will subside slowly.

The Galveston tornado struck the courthouse as well as a residential area. About 1,200 hurricane refugees were

SUPERVISORS VOTE 4-1 FOR SPAN REVIEW

Impartial Study Asked Of Trains On Gate Bridge

Marin County supervisors yesterday voted for the second time in favor of an impartial engineering review of Golden Gate Bridge capability to carry rapid transit with safety.

Their 4-1 action, with Supervisor George Ludy alone in opposition, followed a heated debate between Marin's two bridge board members and two members of the rapid transit board.

MAKE DEFENSE

Both Matthew A. Graham of San Anselmo and Leland S. Murphy of Inverness defended their failure as bridge directors to obey the supervisors' original unanimous mandate.

Rapid transit directors T. J. De Lasaux of Mill Valley and M. J. Lamperti of San Rafael insisted that Marin's only chance to profit from the transit district lay in impartial review of conflicting engineers' opinions.

Asked the cost of rapid transit studies thus far, Lamperti said "several million dollars" and declared "it would be a shame to throw it out the window" but couldn't provide a figure on Marin's outlay.

Asst. Auditor Michael Mitchell came up with the total Marin investment today with a calculation of $213,000.

LONG DEBATE

Lengthy debate went over a wide field of technical and other material. The two bridge directors said they felt impelled to uphold Clifford E. Paine, bridge district engineer, in his conclusion that the bridge could not carry trains safely.

De Lasaux declared: "The two (bridge board) members from Marin County disregarded the resolution of their appointing body favoring appointment of a board of review. Are they afraid of something?"

"We are appointed by the board," Graham fired back, "but we are to use our own judgment." Murphy declared that any other course "would have gone against my conscience."

Chairman William D. Fusselman sought to soothe the bridge directors' ruffled feel-

BLAIR RECALL PETITIONS DUE FRIDAY

Sufficient signatures to force a recall election against Supervisor J. Walter Blair of the Marin First District (Mill Valley area) will be submitted to the County Clerk's office Friday, the Recall Blair Committee announced today.

Helen Kerr, a member of the committee, said 3,105 signatures were obtained. Of these 183 were without precinct numbers. A total of 2,473 valid signatures were required to force the election.

Russia Sets Off Another Atomic Bomb

WASHINGTON (UPI) — Russia today set off a nuclear blast in the Arctic equal to several million tons of TNT. It was the seventh atomic explosion in the current series.

The Atomic Energy Commission announced that the explosion was detonated in the vicinity of Noyaya Zemlya, where Russia set off another "several megaton" blast Sunday.

These were by far the two largest detonations since the Soviet Union resumed nuclear tests Sept. 1. The AEC declined to say whether today's explosion was larger or smaller than Sunday's.

Patent No. 3 Million Issued To Californian

WASHINGTON (AP)—U.S. patent No. 3 million was issued today for a California scientist who applied for patent protection more than six years ago.

The milestone patent, festooned with blue ribbon and red seals, was handed to Dr. Kenneth R. Eldridge of Menlo Park, by Patent Commissioner David L. Ladd.

By coincidence, patent No. 3 million was granted in a year which marks the 125th anniversary of the Patent Office.

Eldridge invented a device which reads bank checks electronically by deciphering numbers and other symbols printed on the checks in a special magnetic ink.

Ironically, an invention which represents an improvement on the Eldridge device was patented several weeks ago. Sources at the patent office said this was not particularly unusual.

The improved version lessens reliance on magnetic ink and permits machine reading of ordinary typing and reading. It was developed by P. E. Merritt and C. M. Steele, who work with Eldridge at Menlo Park's Stanford Research Institute.

Available sources could not say why the processing of Eldredge's patent application took more than six years. Normally, a patent is issued in 3½ years, although 5 to 10 per cent drag on for five years or more.

The Eldredge check reader already is incorporated in General Electric computer systems which have been delivered to banks in 21 cities.

Initial work on Eldredge's check reader was commissioned by the Bank of America, San Francisco. His original reader was put into use by that bank in 1955, the year he applied for a patent.

The computer department of General Electric, at Phoenix, Ariz., took over the project in 1956 and Eldredge assigned his patent in advance to G.E. at that time. G.E. may claim exclusive use of the patent during its lifetime—17 years.

House Group Approves U.S. Disarm Unit

WASHINGTON (UPI) — The House Foreign Affairs Committee today approved 23-to-0 President John F. Kennedy's request for a new disarmament agency and provided a 10-million-dollar authorization to run it.

The Senate already has passed a modified version of the bill and Kennedy has prodded Congress to complete action before adjournment.

Before acting, the House group voted to name the agency the U.S. Arms Control Agency. The White House proposed calling it the U.S. Disarmament Agency for World Peace and Security.

Weather Satellite Funds Are Approved

WASHINGTON (UPI) — The House appropriations committee today approved 48 million dollars to get more weather-watching satellites into orbit and urged space experts to complete the project on a hurry-up basis.

"The weather bureau is certain that now is the time to put into practical everyday use the results of hitherto proven research," the committee said in a report to the House.

Dominican Crowds Fired At By Police

CIUDAD TRUJILLO (UPI)—Police fired into a crowd of 2,000 opposition sympathizers today, touching off wild disorders shortly before the arrival of a team of Organization of American States investigators.

First unconfirmed reports said four persons were killed, including three men and a woman. A number of others were believed wounded.

Long-standing friction between supporters and opponents of the government had set the stage in advance for possible violence, timed to coincide with the arrival of the OAS committee to assess whether the Dominican Republic can have truly free elections next year after more than 30 years of dictatorship.

Boat Vanishes From Moorings

An eight-foot boat tied up at Kappas Harbor at Waldo Point vanished from its moorings Sunday, owner Harry L. Langland of 15 Cole Drive, Marin City, reported to sheriff's deputies.

Langland values his boat plus oars and oarlocks at $100. The boat had white sides and red bottom.

A nearby resident told Langland she saw four or five boys, aged 12 to 14 years, take the boat away about noon Sunday.

Bertrand Russell Gets Jail

LONDON (AP)—Earl Bertrand Russell, 89, British mathematician and philosopher, was sentenced today to seven days in jail for declining to promise to keep the peace in his civil disobedience campaign against nuclear weapons.

A judge sentenced him to two months at the end of a hearing in the Bow Street Magistrate Court but reduced the sentence to a week when shown a medical report indicating that the longer term would be too much of a hardship for the frail peer.

Twenty-seven of his fellow campaigners were sentenced to a month in jail and three others to two months. Five others promised to keep the peace and were freed.

All were members of an anti-nuclear organization called the "Committee of 100." Russell, his wife and 35 others were charged with "inciting members of the public to commit a breach of the peace next Sunday."

Russell and his supporters, who believe in civil disobedience to further their cause, plan a mass sitdown protest in Parliament Square next Sunday against nuclear weapons.

Pentagon May Back More B-52 Bombers

WASHINGTON (AP)—A strong possibility arose today that the Pentagon may reverse itself to recommend buying more B-52 bombers and push development of the 2,000 mph B-70 bomber.

Final decision will be up to President John F. Kennedy, acting on any recommendation Secretary of Defense Robert S. McNamara might make.

The matter is under study, the Pentagon said in response to a query from a reporter who noted that almost a month has passed since Kennedy signed the $46,662,556 defense appropriation bill.

Since the bill took effect Aug. 18, there has been no word on what would be done with the nearly 700 million dollars Congress added on for more long-range bombers, which the administration said were needed, and for accelerated development of the B-70, which the administration sought to cut back.

Air Force officials said they were optimistic that McNamara would change his opposition to spending more millions for these purposes.

While Congress was considering the bill, McNamara let it be known he was inclined to recommend against spending this money. The president has authority to impound funds Congress votes for programs he deems are not necessary.

The Air Force, it was understood, has been presenting its arguments for another wing of B-52 nuclear bombers — about 50 planes—to Defense Department Comptroller Charles J. Hitch.

The United States now has about 500 B-52s.

It was expected that any new bomber purchases would be accompanied by procurement of additional KC-135 jet tankers to fuel them in flight.

In a parallel action, the Air Force has been making presentations to McNamara backing up its contention that the B-70 should be restored to a full-scale development program.

Air Force officials hinted there had been a shift in top-level thinking on the B-52 and B-70 questions.

The Berlin crisis and the prospect of U.S.-Soviet tensions for some time to come undoubtedly were factors. Display by the Soviets of some advanced planes at an air show in late June also may have prompted second thoughts about further U.S. bomber purchases.

Castro May Get Tougher With Church

HAVANA (AP) — Attacks on the Roman Catholic clergy in the wake of a violent anti-Communist demonstration raised speculation today that Fidel Castro's regime may adopt a tougher line toward the church.

Thousands of the prime minister's supporters turned out last night for the funeral of Arnaldo Socorro, 17, killed Sunday in the rioting.

Jesus Soto, secretary general of the Cuban Workers Confederation, demanded death before a firing squad for those responsible for the youth's death.

The newspaper Revolucion charged that "clerical Falangist counterrevolutionaries" fired the shots that killed Socorro from inside a Havana church.

WORLD NEWS IN BRIEF

Paar Would Talk

WASHINGTON (AP) — Television's Jack Paar has offered to discuss with Senate critics his recent fliming of a television show on the East Berlin border.

Many senators said they were shocked when they heard extra troops were on hand at the Communist border crossing point when Paar took films for his show.

Paar said reports of his activities in Berlin were "inaccurate and based on the distortions of one anonymous American reporter."

Bill For Carrier

WASHINGTON (AP)—The Navy has presented Congress with a 41.6 million-dollar bill for the fire damage suffered by the aircraft carrier Constellation in the Brooklyn Navy Yard last December.

The repair work has almost been completed and the huge carrier will be finished by Christmas, the Navy predicted.

Fifty lives were lost in the blaze which broke out when a tank of jet fuel was spilled on the hangar deck and ignited by a welding torch.

Arrests In Africa

LUSAKA, Northern Rhodesia (AP)—The number of Africans arrested in Northern Rhodesia mounted to more than 2,000 over the weekend, as security forces combed villages in the northern province for trouble makers.

Government forces are attempting to stamp out a revolt by African nationalists, now in its seventh week, who are fighting a proposed constitution which they claim is not fair to the African majority.

70 Feared Drowned

BOMBAY, India (AP)—More than 70 persons, including a large number of women and children, were feared drowned when a rescue boat capsized in the flood-swollen Narmada River in Gujarat state, yesterday, according to reports reaching here.

An Indian Express correspondent reported the boat was carrying about 90 persons being rescued from Gopali village. Twenty persons were reported rescued.

Dates For U.N.

UNITED NATIONS, N. Y. (AP)—Secretary-General Dag Hammarskjold suggested yesterday that the U. N. General Assembly set Dec. 20 as the closing date for its 16th annual session. It begins Sept. 19.

Arabia Shuffle

DAMASCUS, Syria (AP)—King Saud of Saudi Arabia reshuffled his Cabinet yesterday in an apparent move to patch up differences with his brother and ex-premier, Crown Prince Faisal.

Mecca radio announced a royal decree naming Saud's nephew, Prince Faisal ben Turki ben Abdul Aziz, minister of the interior, and dismissing his brother, Prince Talal ben Abduz Aziz, from his post as minister of finance and economy, among other Cabinet changes.

Border Patrol

FULDA, Germany (AP)—New militia and Communist youth units are patrolling East German villages along the Iron Curtain frontier in an attempt to hold down the number of escapes to the West.

A West German customs official said the special units were called into the villages after 64 border area residents fled to Fulda last month.

Move In Panama

PANAMA (AP)—President Roberto F. Chiari said yesterday his administration will seek total revision of the treaty with the United States on the Panama Canal at what he called an opportune time.

Chiari said Panama's geographical position is a naturel resource and the people feel the United States does not give fair compensation for the 500-square mile Canal Zone which bisects the country. The present annuity is 1.9 million dollars.

Pisa Sabotage?

PISA, Italy (AP)—Reports circulated in this central Italian city today that saboteurs might try to blow up the famed leaning tower of Pisa.

The rumors spread after a weekend of terrorist bombings in Rome and half a dozen other cities. Government officials blamed the bombings on German-speaking extremists seeking greater autonomy in South Tyrol.

Sen. Green Resting

PROVIDENCE, R. I. (UPI)—Former Democratic Sen. Theodore Francis Green was "resting comfortably" today at Jane Brown Hospital, where he rallied from a heart ailment.

Green, 93, was reported in poor condition early yesterday, but the hospital said last night that Green's condition had improved.

Riot In Oran

ORAN, Algeria (UPI)—Jewish rioters killed one Moslem today in Oran and burned Algerian-owned stores before they were routed by police tear gas grenades.

Eleven persons were reported to have died today and last night in separate terrorist attacks in Algeria.

After the Oran clash, soldiers with sidearms patrolled the streets in the city's Jewish quarter. A helicopter hovered overhead to watch for possible renewed outbreaks of rioting.

Fighting started after Moslems broke a store window in the Jewish quarter.

Worry In Norway

OSLO (AP)—Authorities plan to move the population in large areas of northern Norway if Soviet nuclear explosions cause a dangerous increase in the radioactive fallout, a civil defense spokesman said today.

Streetcar Injuries

SAN FRANCISCO (UPI)—Twenty-one persons were injured, four of them seriously, in a rush-hour crash of two street cars in Twin Peaks tunnel yesterday.

The municipal railway said an "L" car ran into the rear of an "M" car about 250 feet from the west end of the tunnel.

The collision came as the cars were packed with workers, shoppers and school children.

Might Ask Ransom

BEVERLY HILLS (AP)—A ransom demand may come, police say, from the thief who locked a maid in a closet and stole four paintings insured for $670,000 from a Bel-Air mansion.

The FBI joined the investigation yesterday on the theory that paintings so costly would be transported across state lines. One is a Picasso listed at $400,000.

Adenauer Cut Off

GUETERSLOH, Germany (UPI)—West German Chancellor Konrad Adenauer cut short a campaign speech last night when the audience broke into an uproar over his remarks that West Germany would be under the influence of the East German Communist Party if the opposition Socialist Party had been in power.

The statement brought an angry reaction from the crowd, and Adenauer stopped the speech and left.

Bonn May Extend Duty Tours For 36,000 Soldiers

BERLIN (UPI)—The West German government announced today it may extend for another three months the term of service of 36,000 men due for discharge from the army.

The defense ministry in Bonn said 6,000 long-term volunteers due for release between Sept. 30 and Dec. 31 will be held over for three months because of the Berlin situation.

At the same time, the defense ministry said 30,000 one-year draftees scheduled for discharge Oct. 1 may be retained on active duty for three months longer if necessary to help fulfill West Germany's NATO obligations.

The decision was disclosed after a meeting in Bonn between Chancellor Konrad Adenauer and Defense Minister Franz Josef Strauss.

Tokyo Protest

TOKYO (AP)—Japan told the Soviet Union today its use of a portion of the central Pacific for rocket testing is regrettable and declared it reserves the right to compensation under international law for any consequent losses incurred.

Copter Injury

CHICAGO (AP)—A high school science teacher was injured yesterday when his homemade helicopter crashed into a field.

Chester Bera, 45, was riding in the 200-pound aircraft when a tow rope broke, plummeting the craft to earth.

Officials said the machine crashed apparently because its engine had not achieved enough power to keep it airborne.

Ruling Norway Labor Party Loses Parliament Majority

OSLO, Norway (AP)—The ruling Labor party lost its majority in Parliament and the balance of power fell today to the new Socialist People's party which wants Norway to pull out of the Atlantic Alliance.

The Socialist People's party won only two seats in the 150-member chamber, but these were crucial.

Results from yesterday's national elections gave the Labor party 74 seats and the same total for the four parties of the non-Socialist opposition. The Laborites had 78 seats in the old Parliament.

Thus Premier Einar Gerhardsen was left in an even worse position than last September, when Labor party members who refused to back the party's pro-Western platform were expelled.

The rebels formed the Socialist People's party, with a platform of neutralism, pacifism and a leftist economic policy strongly reminiscent of the early days of the Labor party, now a moderate Social Democratic group.

If Gerhardsen forms a new government, the tiny new Socialist party's members will be free to harass their former colleagues.

The nation's membership in the North Atlantic Treaty Organization did not appear in immediate danger since all major parties support it.

It remains to be seen what might happen if the Socialist People's party demands concessions toward its anti-Nato policy in exchange for votes on a key domestic issue.

Neutralists Expected To Get JFK 'No'

WASHINGTON (UPI) — President John F. Kennedy was described today as ready to tell the neutral nations that he cannot discuss Berlin peace with Premier Nikita Khrushchev in the shadow of Soviet nuclear explosions.

Kennedy planned to give a red carpet welcome, polite audience and then straight talk to two neutralist leaders, Indonesian President Sukarno and President Mobido Keita of Mali.

Sukarno and Keita were scheduled to arrive at 3 p.m. (EDT) as emissaries from the recent Belgrade conference of non-aligned nations. The president planned to greet them at Andrews Air Force Base and whisk them by helicopter to the White House for talks continuing through tomorrow.

Sukarno and Keitas come bearing urgent recommendations of the Belgrade meeting for immediate Kennedy-Khrushchev negotiation of their differences over Berlin. Kennedy wants the Berlin crisis settled peaceably, but not under the threat of what he regards as Soviet atomic blackmail.

American officials also said Kennedy was ready to tell his visitors he would not accept their proposal of summit negotiations until lower-level explorations produce a workable basis for guaranteeing West Berlin's freedom.

Welcome In Moscow

MOSCOW (AP)—President Oswaldo Dorticos of Cuba was welcomed to Moscow yesterday by President Leonid Brezhnev, who said the state visit is "fresh evidence of the growing friendship between the Soviet Union and the Republic of Cuba."

Red Border Warning In Berlin Is Defied

BERLIN (UPI)—The Western Allies today defied a Soviet warning against "provocations" and continued sending military patrols to the East-West Berlin border barricaded by the Communists.

The action represented a Western rejection of what amounted to a Russian demand that they be withdrawn.

The reason for such patrols was made clear again last night when Communist police in East Berlin tossed tear gas and smoke bombs into West Berlin to disperse a group of Germans evacuating a summer cottage in the American sector.

It was to prevent and combat violations of Western territory that Allied soldiers were assigned to border patrols after the Reds sealed the border with a concrete wall and barbed wire on Aug. 13.

The Soviet ambassador to East Germany, Mikhail G. Pervukhin, last night denounced Western troop reinforcements and patrols on the Berlin border as "dangerous actions."

Pervukhin issued his warning in notes to the U.S., British and French ambassadors to West Germany. The notes rejected the Western protest of Aug. 26 against the Communist closing of the Berlin border.

Atlantic Allies Starting Three Days Of War Games

ISTANBUL, Turkey (UPI) — The Atlantic Allies tested their defense muscles today under the shadow of a growing Berlin crisis and the resumption of Soviet nuclear weapons tests.

North Atlantic Treaty organization land, sea and air forces throughout Europe opened three days of annual maneuvers given the code name "Checkmate I."

Although they had been planned long before the Berlin crisis flared up, the war games took on new significance in the light of the multiple Soviet pressures and threats against the Western Allies.

Checkmate I will be followed by another operation, termed "Checkmate II," from Sept. 15 to 25. In this phase, NATO's southern region command will test the ability of the alliance to airlift troops into Turkey.

All land, sea and air forces of the 15-nation alliance will be involved to some degree in Checkmate I. The second phase will involve units of the U.S. Sixth Fleet, American and British planes and Italian, Greek and Turkish troops.

Terra Linda Oaks Group To Meet

Terra Linda Oaks 9 Homeowners Assn. will meet Sept. 20 at 8 p.m. in the library of the Hoffman School, it was announced today.

Under discussion at the membership meeting will be landscaping, street lighting, fire protection and the proposed annexation to San Rafael. Coffee and refreshments will be served.

SIGN MEANT WHAT IT SAID

Mrs. Lois G. Greer, housewife of 304 Orange Blossom Lane, Terra Linda, suffered minor cuts and bruises yesterday afternoon when her car obeyed a "stop" admonition in unconventional fashion after being struck by an automobile driven by 17-year-old Dean Loyal Liken of 646 Miller Creek Road, Marinwood. The accident happened at Freitas Parkway and Las Gallinas Avenue. (Independent-Journal photo)

Union, G.M. Hoping For Speedy Settlement

DETROIT (UPI) — The United Auto Workers and General Motors today hoped for speedy settlement of a paralyzing strike, with the government helping to resolve the key issue locking negotiations — the problem of relief time.

UAW President Walter Reuther announced agreement with G.M. vice president Louis G. Seaton on the relief problem last night and immediately offered encouragement that yesterday's strike could be brought to an end soon—perhaps by Thursday.

G.M., the world's largest automobile manufacturer, was all but shut down with more than 256,000 workers on strike at 93 plants. About 50,000 workers stayed on their jobs at 35 plants which had reached agreement on local disputes.

Reuther had authorized all the locals to strike if a complete settlement wasn't reached by 10 a.m. yesterday. He blamed the resulting walkouts at nearly 100 plants on "sweatshop" working conditions in G.M.

Nine hours after the strikes started, Reuther and Seaton met to try to solve the relief issue. Then Labor Secretary Arthur Goldberg telephoned the two men and was reported to have proposed a formula for settling the dispute.

Reuther said Goldberg was "very helpful" in getting the agreement.

The union said that in the past many G.M. workers were given their breaks shortly after starting their shifts. Now G.M. guarantees that no worker will go on a break until he has worked at least one hour.

Ike Says Cuban Invasion Plans None Of His Doing

GETTYSBURG, Pa. (AP)—Former President Dwight D. Eisenhower may have started a new round of post mortems on the Cuban invasion by declaring that his outgoing administration had not drawn up an invasion plan.

Ever since the invasion was crushed at the Bay of Pigs last spring, it has been reported that President John F. Kennedy inherited a detailed invasion plan with many armed units poised throughout the Caribbean area. All that remained for Kennedy, these reports said, was to give the go ahead signal.

But Eisenhower told a group of 38 freshmen Republican congressmen Monday, "we had done nothing except to recognize that these Cuban refugees had a great desire to go back to Cuba, so we began organizing them and giving them weapons and training them. But beyond that we could not go, because at that time there was no recognized leader among the refugee Cubans."

He added, "I was not a consultant or adviser to the Kennedy administration in any way, of course."

A reporter went back to the question later, and Eisenhower amplified, "In March, 1960, we had a little meeting in my office as to whether to go ahead and train these people. We set up a little group to keep in touch. It was never any more than that."

The Central Intelligence Agency has been widely credited, without contradiction, with starting to line up the ill-fated invasion as much as a year before the landing.

Asked about his views on the Soviet Union's resumption of nuclear testing in the atmosphere, Eisenhower said he believed the Soviets have been secretly testing nuclear weapons during the three-year moratorium which ended Sept. 1 with the first shot in their new series.

Meeting Date Set For Saucelito Canal Parley

Oct. 2 was set today as the date for a Mill Valley City Council meeting with Marin County officials and interested property owners to push for a $300,000 state loan for improvement of Saucelito Canal.

City Manager A. E. Almcrants, who said that Supervisor J. Walter Blair had approved the meeting date, added, "the meeting will be to discuss possibilities of constructing a channel for Richardon Bay that will serve all interests."

Canal improvements are needed to provide a water route to the proposed Mill Valley small craft harbor for which a state loan of $300,000 has been proposed.

Revised Shop Center Parking Plan Approved

Corte Madera planning commissioners last night accepted revised parking plans for the Corte Madera shopping center which features wider aisles and 90 degree parking.

The plans submitted by the John S. Bolles Architectural Firm of San Francisco show lanes between the rows of parking spaces widened from the present 12 feet to 25 feet, ample room to allow two-way traffic.

Some parking rows will be parallel to the stores in the center and others at right angles. All parking will be on a 90-degree angle. Also on the new plans which were accepted is an addition of another entrance from Madera Boulevard. A combined entrance and exit will be continued off of Mohawk Avenue.

The number of parking spaces will be increased from 2,021 to 2,026. The size of each space will be nine by 20 feet. The plans allow shopping center owner Frank Rusalem to fulfill his lease agreement with the merchants which states there is to be three square feet of parkling lot space for each square foot of floor space for sales.

Raised traffic bars will be constructed in both ends of the parking rows and along the sides to prohibit traffic from crossing the vacant rows.

Rusalem told the commissioners he had presented the plans to the shopping center merchants earlier and they seemed to approve them.

Trial Off In Garbage Dispute

John A. Celle, a Fairfax produce man accused of violating a city ordinance that requires everyone to subscribe to city-licensed garbage service, won the first round yesterday in Marin Municipal Court.

Wallace S. Myers and Charles W. Pierce, attorneys for the City of Fairfax, dismissed the charge yesterday against Celle "in the interest of justice." A jury trial had been set to start tomorrow morning.

Celle, who lives at 25 Pacheco Avenue, contends that he has a garbage disposal unit which takes care of all his needs, and therefore he cannot be forced to subscribe to garbage service he does not need. He is represented by attorney Carl B. Shapiro.

Shapiro alleges that the city's garbage ordinance is unconstitutional. Ricco Roffi has the exclusive franchise to collect garbage in Fairfax.

Myers said he moved for dismissal yesterday because one of his witnesses could not correlate testimony with the necessary dates. When sufficient evidence is obtained, Myers said, he intends to file a new charge against Celle.

Young Vandals Almost Set School Afire

Two 12-year-old boys broke windows at Greenbrae School, threw ink over desks and floors in one classroom, and almost set the school on fire on Saturday, sheriff's deputies disclosed today.

Raymond Rovero, who lives nearby at 80 Eliseo Drive, Greenbrae, said he spotted the two boys running from the school and stopped them. Rovero then ran to the school building and threw a bucket of water on flames in a trash basket, which had scorched a wall of the boys' washroom.

Principal Kenneth J. Preble notified the sheriff yesterday. He said windows were also broken in the girls' washroom and in a classroom, where ink was spilled.

Preble said the boys had apparently been smoking and accidentally set the waste basket on fire.

The youngsters are both seventh graders at the school.

'Teahouse' Tryouts Planned In Novato

The Novato Community Club drama section is asking for high school students or men who are interested in acting to try for parts in "Teahouse of the August Moon," the section's next production.

Two men for speaking parts and others for stand-in parts of male Japanese villagers are needed, said James Wright, director. Tryouts will be held tomorrow night.

Meeting Set On Schools In Mill Valley

School sites, recreation, tax base, planning and joint maintenance facilities are matters to be discussed at 8 p.m. today at a joint meeting of the Mill Valley City Council and school district trustees in the district offices.

Also to be discussed will be a proposed pedestrian crossing at East Blithedale and Kipling Drive, it was announced at last night's meeting of the board of trustees.

Trustees accepted the resignation of bus driver Douglas McArdle of Cotati and employed Joseph Teixeira of 78 Buena Vista, Mill Valley, to replace McArdle. They also accepted the resignation of maintenance foreman Donald Greene of Woodacre who has accepted employment elsewhere. Greene has been foreman for three years.

The board agreed to allow the Enchanted Knolls School site for playground purposes.

Supervisors Warned About Nicasio Road

Warning was served on Marin County supervisors yesterday that "a serious accident may occur" on the road bordering the new Nicasio Reservoir if its condition is not improved.

A letter from attorney David R. Baty for the West Marin Lions Club suggested the highway should not be accepted "until adequate corrective measures have been taken."

Dance Cooperative Reunion Saturday

The Larkspur-Corte Madera Dance Cooperative will hold a reunion of old members and potential new members Saturday at 10 a.m. in the home of dancer - choreographer Ann Halprin at 15 Ravine Way, Kentfield.

The 12th dance cooperative season will open on Sept. 23 and run through the fall semester. Due to an error in information received, the Independent-Journal had stated the dance program was to start today.

SUPERVISORS

ings by saying that the supervisors merely "wanted more information and never asked you to vote yes or no about trains."

Even after this fuller information had been obtained, Fusselman added, "we still would be in the position that we were not telling you what to do."

"Neither engineer is infallable," said Lamperti in speaking of the conflicting views of Paine and Carl H. Gronquist, hired by the transit district, who said it would be feasable to operate trains.

Lamperti said the rapid transit directors "do not want to put any dangerous thing into operation" but that "other engineering minds are needed to make a final decision."

Moving that the supervisors once more endorse review by an impartial panel, Walter R. Castro said that while the people of Marin expect due safeguards, "the bridge itself was found impossible by some. . . . "We're not telling either director how to vote, but with the money that has been spent we should have a review."

Supervisor William Gnoss declared, "We owe it to the people to give the full facts from an unbiased group." J. Walter Blair said that as an engineer himself, he realized that none is infallible and "though it is not our intent to try to muffle the bridge board" there was good reason to seek additional information.

Ludy foreshadowed his negative vote, saying that "I would have to go along with Mr. Paine's way of thinking."

Though Fusselman did not comment before he voted in support of the motion, he summarized that "we're saying we think it would be wise for you (the bridge directors) to consent to review by a competent corps of engineers. We feel we should have some more expert advice."

Tomales High Unification Is Opposed

The West Marin Union Elementary School District board last night unanimously came out against unification of the Tomales High School area.

Supt. George R. Stratton said the board had stated its opposition formally last June to the County Committee on School District Organization and that last night's action was merely a reaffirmation of their opposition. In the event of unification of the area, the West Marin School District would be included.

Stratton said last night's opposition was specifically aimed at a meeting of the county committee scheduled for Monday at Tomales High School.

Architect George Queseda informed the board that the addition to the West Marin School would be ready for occupancy about Sept. 25. The addition, which includes two classrooms and a library, would free the kindergarten classroom, now occupied by the third grade.

Gun Threat Trial Set Next Week

Jay Joseph Taylor, 24, of San Rafael, will be tried next week on charges of exhibiting a gun in a rude and threatening manner and having a loaded shotgun in his car.

Taylor was arrested early Sunday by Sheriff's Deputies A. V. Menjou and Arthur Wiggins. Deputies found Taylor with a car equipped with red lights and a loaded .44 magnum revolver and a loaded 12-gauge shotgun in his car.

Yesterday, Taylor pleaded innocent to the two weapons charges. Judge Leonard A. Thomas set a court trial for 3:30 p.m., Sept. 20.

Woman Draws Six Months In Marijuana Case

A Corte Madera woman, caught last June with a row of marijuana plants growing on her rooftop, must serve six months in Marin County Jail for marijuana possession.

Judge Jordan L. Martinelli, sitting in Marin Superior Court, sentenced Mrs. Nancy Jane Kuhe of 74 Sonora Way yesterday. The judge suspended a one-year jail sentence and put her on five years' probation on condition she serve six months in jail.

Mrs. Kuhe contended that she was the innocent victim of circumstances and did not know that the row of pots contained marijuana. She said an acquaintance had put the pots on her roof without telling her they contained marijuana.

ROBERT F. MERRITT
Heart attack fatal

OBITUARIES

Robert F. Merritt Succumbs

A triple career in the military service, newspaper field, and as a chamber of commerce manager ended yesterday with the death from a heart attack of Robert F. Merritt, 58, secretary-manager of the Novato Chamber of Commerce.

He suffered a heart attack Saturday and was taken to Hamilton Air Force Base Hospital, where death occurred.

Merritt, who resided at 1114 Court Road, became chamber of commerce manager Oct. 1, 1959, after his retirement from the Air Force as a lieutenant colonel. Prior to his retirement he had served four years as public information officer of Western Air Defense Force headquarters at Hamilton Air Force base.

He played an active role in the successful campaign for incorporation of Novato.

His chamber of commerce position here was not the first such he had held. Before beginning his Air Force career in 1942, he had served as secretary-manager of chambers of commerce in Ashland, Wis., and Menominee, Mich.

And before that, he had been editor of the Ashland Daily Press, market editor in the Chicago office of United Press, and assistant Iowa state bureau manager for the Associated Press in Des Moines.

Born in Bartlett, Ill., in 1903, he grew up in Ashland, Wis., where he was graduated from Northland College. He was a Navy reservist before entering the Army Air Force.

During his Air Force career, he served in Cuba and for six years in Okinawa, where he was chief of information for the Eighth Air Force.

Merritt was an elder and chairman of the Board of trustees of the Presbyterian Church in Novato. He was also president of the Open Door Club at the church for the past three years. He was a member of the Kiwanis, Toastmasters and Sojourners clubs in Novato, of the Masonic Lodge of Rapid City, Wis., and of the International Society of Aviation Writers, U.S. Aviation Writers Assn., and San Francisco Press and Union League Club.

He is survived by his wife, Marian; a daughter, Mrs. Walter Sundberg of San Francisco, and three sisters, Mrs. Raymond Christianson and Mrs. Luigi Petracci of Wisconsin and Mrs. George Tousley of Washington state.

Memorial services will be held at 2 p.m. Saturday in the Presbyterian Church at Sherman and De Long avenues in Novato.

Memorial contributions may be given to the Open Door Club of the Presbyterian Church.

BRUCE CORNWALL

The death of Bruce Cornwall of Ross, retired real estate man, last week was disclosed yesterday.

Cornwall for many years was a partner in the San Francisco realty firm of Coldwell, Cornwall and Banker (now Coldwell, Banker and Co.).

He died Sept. 6 in Notre Dame Hospital, San Francisco, and was buried with private rites. He was 84.

He and his wife, the former Helen Sinclair, resided in recent years on Upper Road, Ross. Until his retirement, Cornwall also maintained a home in San Francisco.

He practiced law in San Francisco before entering the real estate business shortly after World War I, in which he served as a lieutenant colonel in the ordnance department. During the 1920s, he served as "dollar a year" chief of the San Francisco Ordnance District.

Cornwall was born in San Francisco. He was graduated from University of California in 1899 and obtained his law degree from Columbia University.

He was a member of the Sierra Club, Society of California Pioneers, Sons of the American Revolution, American Legion, and an honorary trustee of the California Academy of Sciences.

He is survived by his wife; two sons, Peter B. and John S. Cornwall, seven grandchildren and six great-grandchildren.

JOHN SHAW

John H. Shaw of Mill Valley died last night in a local hospital after a long illness. He was in his 80s.

A native of New York, where he was a farmer, Shaw retired 7 years ago and moved to Mill Valley where he had resided with his son, Carl, at 224 Elm Avenue.

Shaw had lived at Cherry Plain, N.Y., and had belonged to the Grange at the nearby town of Berlin.

He is survived by his son, an employee at the Mill Valley Post Office; a brother, Harry Shaw of Vancouver, Wash., and sisters on the East Coast.

Both Carl and Harry Shaw, on a camping trip in Washington, were being sought today by highway patrolmen to be notified of Shaw's death.

Funeral arrangements are pending at Russell and Gooch Mortuary in Mill Valley.

MILDRED BLAKE

Mildred D. Blake, 52, a Marin County resident for 16 years, died yesterday at a local hospital.

The widow of Albert H. Blake, San Francisco Yellow Cab employee who died in 1954, Mrs. Blake resided at 73 Cypress Drive in Fairfax since 1948. Prior to that the couple lived in San Rafael and San Francisco. She was a member of Fairfax Community Church.

She was a native of Brooklyn, N. Y., and spent most of her youth in New Jersey.

She suffered a heart attack at her home at 10:30 a.m. yesterday and died at the hospital within two hours.

She is survived by a son, Leroy Blake of San Anselmo, and one grandchild.

Funeral services will be held Thursday at 10 a.m. at the Chapel of the Hills, San Anselmo. Inurnment will be private. The family requested memorial gifts to the Marin County Heart Assn.

MRS. MISTRON

Marguerite Mistron, 59, mother of Warren Mistron, Larkspur superintendent of streets, and a Marin County resident from 1939 until last year, died yesterday at a local hospital.

With her husband, Robert F. Mistron, she operated Bob's Fixit Shop at 489 Magnolia Avenue in Larkspur until eight years ago. At that time, she became a cook at Larkspur-Corte Madera School and her husband became custodian at Henry C. Hall School.

The couple, who had lived in Larkspur since 1941, moved to Sutter Creek in Amador County last year. Mrs. Mistron was forced to quit work five years ago and had been under a doctor's care since.

She was an active member of the Larkspur Druid's Circle and of the Auxiliary of the Larkspur Volunteer Fire Department. She was one of the founders of the Madera-Larks Recreation Club, an adult group active in the Twin Cities a few years ago. She was a native of Sidney, Ohio.

Survivors include her husband; two sons, Warren and Robert F. Jr., with the U. S. Navy at San Diego; a sister, Sister Helen Paul, a nun at Seaton High School in Cincinnati, Ohio, and three grandchildren.

Funeral services will be held tomorrow at 11 a. m. at Keaton's Mortuary in San Rafael. Inurnment will be private. The family requested memorial contributions to the American Cancer Society.

MOUNT TAMALPAIS CEMETERY *in the Heart of our County*

Marin pioneers chose a site in the heart of our county as a final resting place for their families. Today this location—at the west end of Fifth Avenue in San Rafael—is still convenient to all Marin points.

Marinites who choose Mount Tamalpais do so with the assurance that its beauty will grow with the years. The interest from a quarter-million dollar endowment fund—twice the legal requirement—is dedicated to the constant care and improvement of this 57-acre site.

Perhaps—like many Marin families—you wish to make your own final arrangements to spare others difficult decisions. If so, we invite your inquiry or a personal visit.

"It was nothing... just a fire in the stove"

Are you sure that's all it was, Jim? You know, we might look at it as an exciting demonstration of *municipal bonds at work!*

Remember voting for the bond issue to build a new firehouse several years ago? At the time you said, "This is going to cost me money, but I guess we've got to have it." Then, when you renewed your fire insurance and found the rate was lower, you were pleased.

Think of what you saved today, Jim! Insurance money can't replace what you came near losing. Fortunately, the fire was nothing because municipal bonds gave your community the cash to put engines, equipment and firefighters near your house.

The Bank of America and its associated investment dealers bid on virtually all municipal bonds issued in the State because we have confidence in the future of California and communities like yours. These bonds finance fire-fighting equipment, schools, city government buildings, water and sewage facilities, etc.

Do you know what we at Bank of America do with the municipal bonds we buy? We add some of them to our own investment portfolio—and make the rest available for purchase. No one knows better than you do—living right there on the scene—what a sound investment they are!

If you'd like to make an investment in your community secured by its business, industry and by your neighbors, we suggest *municipal bonds issued in your area.* They're available in denominations of $1,000, pay you a good return and the income you receive is *tax free.* The manager of your local branch of the Bank of America will be glad to give you full information, or you may write to

Full Days Approved By San Jose Board

San Jose School District trustees last night approved an arrangement by which some children in the first three grades at Pacheco and Meadow Park schools get a full day's instruction while some are on split sessions.

Double sessions for the two schools until completion of the new San Jose School were approved last spring.

As worked out at school opening last week and presented to the trustees last night, the arrangement calls for one first grade, one second grade and one third grade at each of the two schools to hold classes from 9 a.m. to 2 p.m. But two additional classes in each of the three grades at each school get a reduced school day—one class attending from 8:30 a.m. to noon and the other from 12:30 to 4 p.m.

The board voted to hire nine mothers to patrol school grounds during the lunch hour. This is the second year that the San Jose District has hired women to relieve teachers of this duty.

Six elementary school pupils will attend Novato schools without exchange or tuition, Supt. Philip W. Schneider said. The board approved inter-district agreements last night.

The board also voted to borrow $117,000 from the county until its tax money is received in December.

The superintendent was authorized to proceed with getting a drainage easement from Kaehler Construction Co. for drainage from the San Jose School to the northwest across a tract of homes being built by the company.

The board approved a list of 10 subjects for curriculum review at the second board meeting each month.

Marin Dairyman To Attend Board

Armin Truttman, Marin dairyman, will represent California's dairy farmers at the fall business session of the national board of directors of the American Dairy Assn. in Louisville, Ky., Sept. 19-21.

Truttman is president of the American Dairy Assn. of California and a member of the seven-man national executive committee.

School Board Lets Contract In Sausalito

Sausalito School District trustees last night accepted the lowest bid from Cyclone Fence Co. of San Francisco to install a 375-foot-long chain link fence along Drake Avenue bordering the new Manzanita School in Marin City. The bid was $967.

The fence will be six feet high and have a double gate at the driveway.

Trustees accepted the resignation of Eugene Vance, custodian with the district for nine years, who is leaving to enter business for himself in San Joaquin Valley. Vance lives at 606 Easterby Street.

They approved employment of Edward Mathews of Novato as custodian at Manzanita School. Mathews replaces Earl Holly, who resigned last June. Trustees also hired Hartzell Ballard of Cotati as bus driver-maintenance man to replace William Austin of San Rafael, who is going to college to get his teaching credential.

Women and children make the best Persian rug weavers, because their agile fingers can tie as many as 3,000 knots a day.

School Unification Vote Date Changed

The election on unification of the Novato Unified and San Jose School districts, scheduled for Nov. 14, has been reset to Nov. 21, County Schools Supt. Virgil S. Hollis announced today.

The election was postponed so prospective candidates for the new school board, which will be created if the election is successful, will have time to file, Hollis said.

Approval of the unification election was given by the State Board of Education in San Francisco last week by a vote of 9-0.

Hollis's office also announced that a petition proposing boundary changes for the San Jose School District would be circulated immediately.

"If the unification election is successful, then the boundary change can be forgotten," said E. L. Blackmore, administrative assistant to Hollis. In the event of a "no" vote on unification, Blackmore said, the immediate signing of petitions would insure boundary changes could be effected by July 1, 1962. A delay in getting petitions signed, he said would postpone any change for another year.

Blackmore said Lynwood residents are strongly in favor of inclusion in the Novato district, but he and Hollis "thought" the people in the Loma Verde area would prefer to be in the Dixie School District.

Trial Delayed For Wife Slayer

The trial of Robert Burdette Rogers, 42, San Gabriel contractor found guilty of murdering his wife in 1959 in San Rafael, was postponed yesterday until Sept. 18 by Superior Court Judge Richard M. Sims.

A postponement until Oct. had been requested by Rogers' attorney, Robert H. Aarons of Pasadena. The Southern California attorney had requested the delay in a letter to Dist. Atty. Roger P. Garety, but did not appear in court today.

Judge Sims said he would consider whether further delay is necessary on Sept. 18.

3 On Board Enter Aid Charge 'Plea'

Three of Marin County's five supervisors entered "not guilty" pleas yesterday to a press charge that some close relative of a high county official has been getting county welfare aid.

Supervisor Walter R. Castro called attention to the charge in Wat Takeshita's "Reporter's Notebook" in last Saturday's Independent-Journal.

"I want to make clear," said Castro, "that none of my relatives are on any county welfare account."

"It doesn't apply to me," chimed in Supervisor George Ludy.

Entering a similar disclaimer, Supervisor William Gnoss declared, "We should run this down."

"I didn't see the item," said Supervisor J. Walter Blair.

Chairman William D. Fusselman arrived at the session a few minutes later and took no part in the discussion.

Planning Rejection Was By 4-To-2 Vote

The story in yesterday's Independent-Journal on the Marin County Planning Commission rejection of a use permit to build a service station at 1000 Sir Francis Drake Boulevard, Kentfield, said the vote was unanimous.

Check of the minutes shows the vote was 3-to-2 on Commissioner Felix Warburg's motion. Commissioners Niels Shultz Jr. and George Scott voted "no."

sheltered in the courthouse and broken glass struck many.

Persons who died as a result of the hurricane included a 4-week-old child in Louisiana in a tornado Sunday; and Able D. Threeton, 56, of Houston, killed when he stepped on a broken electric line Monday.

The Weather Bureau said that heavy rains—as much as 13 inches at Victoria, Tex., inland from the coast—will bring flooding of rivers and streams.

At Galveston, St. Mary's Catholic Cathedral and an adjoining school suffered extensive roof damage in the tornado. Police estimated that 30 to 60 cars were wrecked by the funnel's winds.

The bureau issued at least two forecasts of tornadoes for Texas. One tornado struck near Nacogdoches in deep East Texas, destroying a barn and causing other damage.

Wind gusts of 100 mph were reported from several East Texas points during the day.

The hurricane, battering the coast all the way from Corpus Christi to Morgan City, La., slammed ashore on Matagorda Island after crawling offshore for hours and punching the coast with severe winds and battering tides.

Sheriff D. B. Haillburton of Calhoun County said Port O'Connor, near the point where Carla struck land, was 99 per cent destroyed. It had 1,000 residents.

Man, 86, Hurt In Auto Mishap

An 86-year-old retired Inverness resident "blacked out" while driving yesterday and was injured when his car rammed a tree.

Ralph Robert Wolf suffered the mishap while northbound on Highland Way south of Laurel Avenue in Inverness at 10 a.m. He later said he had lost consciousness while descending a hill. Dr. Gordon J. Plattes of Point Reyes Station treated hand cuts and said he had evidently suffered a heart attack.

Wolf was later taken by United Ambulance to Fort Miley Veterans Hospital in San Francisco.

New Moisturizing Colonaid Stops
CONSTIPATION DUE TO DEHYDRATION
without gag, bloat or gripe

Most constipation is caused by what doctors call a "thrifty" colon that loses so much moisture that its contents become so dry they block the bowel; so shrunken they fail to stimulate the urge to purge that propels and expels waste from your body.

To regain normal regularity, the dry, shrunken contents of your colon which now block your bowel must be remoistened. *Second,* bulk must be brought to S-T-R-E-T-C-H STIMULATE colon to action; to a normal urge to purge. And, of all laxatives, only new COLONAID possesses its great *moisturizing capacity plus its stretch-stimulating* bulk. So effective it relieves* even chronic constipation overnight, yet is so gentle it has been hospital-proved safe even for women in critical stages of pregnancy.

Superior to old style bulk, salt or drug laxatives, COLONAID neither gags, bloats nor gripes; won't interfere with absorption of vitamins or food nutrients; in clinical tests, did not cause rash or other reactions.

It's a physiological fact: Exercise tones your body! And COLONAID exercises your colon to tone it against constipation overnight. So, for positive relief from constipation, get amazing, moisturizing new COLONAID today! INTRODUCTORY SIZE 43¢

It's Early But We Endorse McCarthy For Lt. Governor

There are still nine months until the primary elections, but already we are willing to endorse and get behind the nomination of one candidate.

We don't know yet who his opponents will be, but we can't think of a man who would make us change our minds about supporting Sen. John F. McCarthy for Republican nomination for lieutenant governor of California.

It has been many, many years since Marin County has had a candidate running for a state-wide post. We may have at least one more this year, but McCarthy is the first to announce his intentions.

There are solid reasons why we can support him as our Favorite Son candidate.

For 10 years now he has served Marin in the upper house of the legislature, and he's done his job well.

He has earned for himself a fine reputation in the Senate, has become leader of the Republicans there, while still retaining the respect and cooperation of the Democrats.

As a result, he has been effective both for Marin and the whole state.

The principal job of the lieutenant governor is to preside over the Senate. McCarthy has already and often proven that he can do this both effectively and good humoredly. He knows Senate procedure backwards and forwards.

We've watched Jack McCarthy closely since he was first elected in 1951. We have not always agreed with him. But we've learned he is serious in his job, although sometimes frivolous away from it, hard-working, and effective.

These are some of the reasons why we don't care who knows—in fact we want everyone to know—that we're for John F. McCarthy, Marin's Favorite Son candidate for Lieutenant Governor on the Republican ballot in June, 1962.

Of Cobwebs And Spiders

Late summer and early fall are the best time for spiders and cobwebs in Marin's gardens. They seem to thrive in direct proportion to the availability of insects.

We are constantly blundering into some hapless spider's carefully woven and delicately beautiful butcher shop. At such times we are inclined to agree with those who say these webs probably have no equal in terms of strength and elasticity.

The very word "cobweb" derives from medieval English, meaning "headnet." It is an indication that these webs have been annoying people for many generations.

However, if we are annoyed by the spider's web, think how much the spiders must be anoyed by us clumsy humans who destroy their patient labor of hours in a single careless moment.

HELP YOURSELF BY HELPING OTHERS

One of the smaller automobile companies recently asked its 140,000 shareholders to buy the product to help pull the firm out of the red.

If those who held stock bought or encouraged the sale of one of the company's cars every two years, each of them would profit by the added business.

There is little danger of exaggerating the power of the individual to solve most problems despite the fact that the average person tends to take a skeptical "I don't care" attitude.

Keep ever conscious of the fact that all of humanity is nothing more than one person like yourself over and over again. God has entrusted to you at least a tiny role in the never-ending task of keeping the world on an even keel.

Part of the answer is in your hands. As a shareholder in mankind's destiny, don't fail others as well as yourself by neglecting to shoulder your share of responsibility.

"Make the way known to me wherein I should walk." (Psalm 142:8)

Thanks for the privilege, O heavenly Father, of helping to right the world's wrongs.

Film Producer Turns Down Million Dollars To Film Life Of Christ

NEW YORK (AP) — What would you do if someone offered you a million dollars to quit what you were doing?

The chance came to film producer Samuel Bronston. He said, "No!"

Brontston had just begun shooting his picture, "King of Kings," when the representatives of another company which wished to make a film of the life of Christ—20th Century - Fox — approached him.

"They offered to pay all my expenses—and give me a cool million dollars besides if I'd abandon my projects," recalled Bronston. "And this was only the beginning — they'd have gone higher. But I told them I couldn't quit.

"It seemed inhuman to me to give up. I had dreamed of making the life of Christ ever since I helped photograph art and religious treasures for the Vatican a dozen years ago.

"You're not always working just for money. Money is the consequence of deeds. You merely trade money for time to achieve your goals."

Bronston, one of nine children of a Bessarabian farmer, is a small, shy-voiced man with big ideas. He was graduated from the Sorbonne with a degree in political science, played the flute in the Paris Symphony Orchestra, and became one of Europe's top film salesmen before turning to producing.

He poured nine million dollars into "King of Kings," spent another nine million dollars on "El Cid," both of which will be released this fall. He also has plans under way for three more epic productions totaling 18 million dollars. His headquarters is in Madrid, where he has taken over most of Spain's two largest studios.

"I'm not equipped for small pictures," he said. "I am interested in big productions with international appeal.

"I like to play against an open ceiling—where the sky's the limit.

"There is a great market for big stories that are clean and moral and beautiful.

"And I want to cater to families—not to maniacs."

TWO INCIDENTS show Bronston's unusual attitude toward budget costs.

He spent $180,000 building a 100-foot tall granite temple of Judea for "King of Kings." A hurricane destroyed it overnight. Strolling about the ruins in his pajamas, Bronston said only two words:

"Rebuild it."

A FILM COMPANY wanting to make another Biblical picture offered him $300,000 for his City of Jerusalem set.

"No, that wouldn't be right —there's too much of us in it," said Bronston. "If we have no other use for it, it's better to tear it down."

Form Association On Childbirth

EDITOR,
Independent-Journal:

I'm happy to report to those who have been following the letters on childbirth, that a formal group has organized in Marin County calling itself "The Education for Childbirth Assn."

We have found that there is a very definite interest in such a program which has evidenced itself by the many inquiries, also, attendance and participation at our monthly meetings.

Basically the aims of the association are:

1—To provide the means for a woman to achieve a satisfactory and more comfortable pregnancy and delivery.

2—To provide education in the facts of pregnancy, childbirth and infancy; and a program of relaxation and breathing exercises.

3—To orient the father to greater participation with his wifei n pregnancy, childbirth and parenthood.

4—To increase the understanding and use of rooming-in.

5—To encourage breast feeding.

6—To cooperate with physicins, nurses and hospital staff in making childbirth a more satisfying experience.

7—To inform the public at large of current findings in the field of educated childbirth.

8—To exchange and explore ideas with others who are working for the well-being of the family.

Use Old Papers For Colored Fire

EDITOR,
Independent-Journal:

Regarding your article on old newspapers, an old edition of the "Work Basket" magazine listed the following:

Dissolve four pounds of copper sulphate and three pounds of rock salt in a five gallon crock. Roll tightly and tie old newspapers. Soak them in solution, dry and store them for future use.

When burning they will produce colored flames, nice for holiday season or special occasions when using the fireplace.

Our fireplace was destroyed in the '55 flood, so we haven't tested the idea, but hope to when the fireplace is restored.

Governor Brown Gives A Sample Of Type Of Campaigning He'll Be Doing

SACRAMENTO (CNS) — Gov. Edmund G. Brown has given a fairly clear presentation of the philosophies upon which he will base his 1962 campaign for re-election. In a recent speech before the Democratic campaign committee in Los Angeles, he urged the consolidation of the ultra-liberal California Democratic Council and the formal party organization.

He also pledged his warm support to the CDC in its drive to double its membership during the coming election year.

THE GOVERNOR'S philosophies presage nothing less than a continuation of the "give-it-all-away" program the party has been pursuing since 1959. He assured the party workers he is proud of what the party has done since he took office.

The basic philosophy of the administration is an admirable vote-getter, particularly in connection with that portion of the voting public who cannot see into the future and have no concern for the future economic status of the state.

It cannot be expected that the ultra-liberal Democrats, with the avidity of the old Roman mobs demanding bigger and better hand-outs, will cease making their demands on those who work to support the government and themselves, as well as to build a safe and sane economy for the state.

IF BROWN'S speech is going to be a sample of later campaign speeches, it might be well for the people to alert themselves to pertinent facts regarding the administration of California.

For instance, he pointed out the administration cut taxes by more than eight million dollars. But there is no mention of the fact taxes were increased by some 40 million dollars in the unemployment insurance field, which business has to pay. Much of the additional tax will be dispersed to the rocking chair elite of California, which makes a business of loafing on money earned by the producers.

An outstanding sample of the "give-it-all-away" program is contined in a decision by Brown's Unemployment Insurance Appeals Board, which held a machinist earning $3.80 an hour was entitled to loafing money because he refused a job at $3.20 an hour!

THE GOVERNOR also is proud of the fact he promised the youth of California more and better schools. It is true we have now more and better schools, under a bonding program started in a Republican administration. But on the other hand, these same schools continue to be idle for 25 per cent of the year.

The goveronr is also proud of the fact that his next budget will contain no request for new taxes. But he neglects to point out the administration will not be spending any less money, garnered from the pockets of taxpayers. Rather, more money will be spent.

It is reasonably easy to paint a glowing picture of accomplishment, but sometime the fires will be reduced to ashes.

Sometimes A Telephone Call Can Be As Effective As An Operation

A. R. Campbell, a rancher in Klamath County, Ore., near Klamath Falls, is the uncle of San Rafael orthopedic surgeon Dr. George H. Merryman, Jr.

Campbell has had trouble with the narrowing of the end of his esophagus, which sometimes catches large food particles, closes and results in serious choking.

The other day at a Farm Bureau meeting, he ate too large a piece of fish and it lodged in his esophagus. He didn't realize it immediately, until he threw up his dinner. Then he waited a while and drank some water. That came up too.

He telephoned Dr. Merryman and Dr. Merryman telephoned Dr. Richard S. Hahn, San Rafael throat surgeon.

Dr. Hahn had a solution. "Tell him to dissolve regular, unflavored meat tenderizer in water and take a teaspoonful of it every 10 minutes. If nothing happens in an hour, he better get down here fast."

Campbell did as instructed. In 40 minutes the fish was tenderized and slipped quietly into his stomach. End of crisis.

It seems that the active ingedient in tenderizer is papain, an enzyme from the papaya fruit. It digests dead, but not live, protein.

The tenderizer merely digested enough of the fish to let it move on its way. Thus Dr. Hahn did himself out of an operation.

IT'S STRANGE how the word gets around.

We had word from a friend in Yreka, who had been a summer visitor to The Netherlands, that she read all about the San Rafael NWP tunnel fire and cave-in in a newspaper in Jubbega, Friesland.

But, she said, the chamber of commerce apparently isn't on the ball. San Rafael was described merely as "a small northern California town."

IT'S SURPRISING, sometimes, the reaction you get when you observe events.

We'd never seen a ship launching until invited by Marinite Bill Briscoe to attend the launching of the S.S. Philippine Bear. It took place at the Bethlehem Steel Co. shipbuilding yard in San Francisco, which is presided over by another Marinite, T. C. Ingersoll, general manager and a Lagunitas resident.

Lovely Mrs. William S. Mailliard smashed the bottle of champagne on the bow of the 565 foot, 22,000 ton craft; a shrill steam whistle blew a constant blast; the huge bulk of red steel started to move slowly down the ways and into the Bay. It was fascinating; an immobile object moving; life coming to the inanimate; the excitement was intense; you couldn't take your eyes off her.

When she was afloat I turned and looked at my young lady companion. Tears were streaming down her cheeks.

Now she wants to go on the ship's maiden voyage.

Khrushchev Abandons Peaceful Co-Existence For Terror Diplomacy

LONDON — Khrushchev's purpose in violating his own word that the Soviet Union would never resume nuclear testing unless the West did so first is becoming increasingly plain.

The Kremlin has now exploded a massive hydrogen bomb producing wide radioactive fall-out to pollute the largest possible area of the earth's atmosphere.

Here was an action long and secretly planned, violating the voluntary test-ban while the Soviets were ostensibly negotiating to strengthen it.

But Khrushchev's explosion of the massive bomb — the "frightful weapon" as he has called it—is not a military act. It is a political act.

MR. K IS NOT planning "terrorist war," which would mean his own destruction as well as that of everybody else. He is coldly and calculatingly and perilously undertaking "terrorist diplomacy," by which he expects to extract from the West by fear whatever he most wants now — whether it be in Berlin or in West Germany or disarmament-without-inspection as the early installment with more to follow.

The tendency in Europe—and probably in the United States—is to wonder how Khrushchev could possibly make the mistake of alienating the neutrality of the neutralist nations gathered at Belgrade by stomping upon their hopes and their feelings.

Let us not underestimate Mr. K's capacity to understand the Belgrade neutrals. The Soviet Premier may have shown his contempt for the wishes of the neutrals, but he knows them well. He knew exactly how they would respond if adequately frightened.

HAS THE VIOLATION of its statement of Aug. 28, 1959, that it would never unilaterally resume testing, caused the Belgrade neutralists to center the responsibility where it belongs? Has the Soviet explosion of the massive bomb caused them to turn their collective "neutrality" upon the nation which is threatening nuclear war and to say "cease and desist?"

From his standpoint, Khrushchev made no mistake in figuring exactly how the Belgrade neutrals would respond to his terrorist tactic. They are responding exactly as he wanted them to respond.

And what did Khrushchev figure they would do? He knew them well. He figured that by acting with sufficient recklessness and sufficient ruthlessness, by unscrupulously negotiating to strengthen the test band and simultaneously preparing to violate it and then by test the biggest bomb within reach—he figured that these actions would drive the neutrals to act according to pattern.

He wanted the Belgrade neutrals to appeal — not to Moscow to desist threatening war—but to the conference table under duress.

KE KNOWS THAT the neutrals know that he won't make any concessions. He wanted them to urge the West to concede almost anything to avoid war. They did.

Khrushchev dealt contemptuously with the Belgrade conference. It responded the way he wanted.

There is no doubt that Mr. K is embarked on a reckless course. He is turning from the diplomacy of so-called peaceful co-existence to the diplomacy of terror.

Surely the grim lesson of Munich is that the West cannot yield to nuclear blackmail. To fear war is the most likely way to bring it of mind which the West most needs at this moment—neither fear to negotiate nor to negotiate from fear.

SANDBAGS FOR SHELTERS—A/2 John Kaehler and A/3 Dial John of the 78th Civil Engineer Squadron at Hamilton Air Force Base fill sandbags for placing around windows of 103 concrete basements on the base which are to be used as bomb shelters in event of emergency.

Bomb Shelters Are Ordered At Air Base

Preparations To Be Complete By Next Monday

By THERON A. NEWELL

Preparations for "digging in" to withstand the fallout of an atomic attack are going ahead at full speed at Hamilton Air Force Base.

Directives from Col. Harvey E. Henderson, commander of the base, have ordered the preparations to take care of all military and civilian personnel to be completed by Sept. 18.

The basements in 103 concrete homes have been assigned as fallout shelters, one for every six families in frame homes on the base.

DEADLINE

All families are required to have food, clothing, and other essentials in the basement shelters by Monday.

The basement windows of the houses must be barricaded by that time with sandbags which are being issued at the base.

Concrete "collars" are being put around windows of 23 buildings on the base to house the military and civilian personnel during a fallout. Each of these is big enough for 1,500 persons.

An inspection of the fallout shelters has been ordered immediately after the Sept. 18 deadline. The entire base later will hold an exercise in getting to the shelters.

"We do not plan to evacuate; we will sit it out," said Maj. J. G. Mair, wing disaster control officer.

DIRECT HIT

If the base suffered a direct hit, it would be useless to flee. If a bomb hit elsewhere in the Bay Area, fallout is the main concern, said Mair.

"The idea of the sandbags filled with dirt is not to protect from a blast, but to put as much mass as possible between the person and the outside radiation," he said.

"The wall of sandbags is equivalent to 1½ inches of lead and is much easier to handle."

More than 2,000 sandbags were issued last week to the families living on the base.

Each family must have three days' supply of food, water, bedding and other essentials in these shelters, Mair said.

"After the first three days of any fallout, we figure we can take care of the people," he said, explaining that the military operation is more ready to meet emergencies than civilian populations.

Three means of communication are ready among the fallout shelters. The regular telephone system is hooked up to all the shelters. In addition there is the big speaker system at the base that can be used to communicate between them. There are also walkie-talkie sets that can be used to broadcast messages between the shelters.

For the protection of the men who must get out into the fallout to get planes flying, there are dust-proof suits in the shelters.

"Fallout usually reaches its peak in about three hours after an atomic blast," Mair said. "This will vary, of course, whether it is upwind or downwind and how close one is to the blast."

During the proposed exercise, the base will be completely evacuated to the fallout shelters. Anyone, military or civilian alike, who is on the base at the time, must go to a shelter. They will probably have to remain there four or five hours, Mair said.

When asked why the sudden rush on fallout shelter construction, Mair said it was because the money "suddenly became available." He would not say whether it had any connection with the Berlin crisis.

Eel River Resource Study Request Backed By Board

Managers of Marin County's two major water districts appeared before county supervisors yesterday and pushed through a resolution urging the U.S. Bureau of Reclamation to proceed with study of Eel River water resource possibilities.

The resolution requested expansion of this study to take in the future needs of the whole of Marin County, along with Sonoma, Napa and Solano counties.

William R. Seeger of Marin Municipal Water District said conflict between federal and state studied had developed, causing the federal bureau to pull back. But federal plans, he said, are compatible with Marin needs, whereas the state has operated on a different basis.

"It is extremely important to the people of this area and surrounding communities that the federal study continue," said Seeger. Funds have been appropriated, he said.

On motion of Supervisor J. Walter Blair, seconded by William Gnoss, the board unanimously approved a resolution which was already drafted. Then Jerome B. Gilbert added a few words for his North Marin Water District which, he said, has already put "a foot in the door" by arranging for supply of Russian River water mixed with "a little from the Eel." He said the federal bureau has "done a wonderful job" in its water studies thus far.

Kentfield To Hire Teacher

Kentfield School District trustees last night decided to hire an additional teacher for Greenbrae School because of increasing enrollment.

Supt. Howard C. Harmon reported the fourth grade class at the school has 34 pupils and the fifth grade class has 35. He said the district has 85 more students than last year, with 1,408 children now attending its schools as compared to last year's 1,323.

The trustees raised the fees for organizations using district schools and charging an admission. The charges of $10 for the use of multi-purpose rooms and $8 for classrooms were raised to $12.50 and $10. There is no fee for organizations not charging admission to their meetings.

Mill Valley School District Defended

Curriculum enlists the aid of teachers and capitalizes on their interests. It is cooperatively developed rather than promulgated by edict, Dr. Logan T. Miles, assistant superintendent of Mill Valley School District, told the district's trustees last night.

Miles spoke on remedial reading for the didstrict's pupils but said there is no plan at present for doing anything more than the grouping of students. A need for remedial reading teachers is recognized, he added, but it is not certain as to how to solve the problem even if additional staff could be afforded.

Three new types of reading programs will be used this year, he said. They are: (1) children will work independently at their own speed on separate materials; (2) the visual projection of reading lessons on a screen, and (3) classes will be re-grouped so those with similar reading ability may be together for longer periods of teacher-directed instruction.

Miles criticized the press for "hit and run criticism" of schools.

This is "either an example of not trying to get the facts or not caring about the facts," he declared.

He cited, in particular, a column by Lyle C. Wilson, United Press International writer, in last Saturday's Independent-Journal in which Wilson said that a tragedy of the modern United States is dictatorship of an educational system that blindly refused to teach Johnny how to read, spell and write. The article suggested a return to the phonetic method of teaching reading.

Dr. Miles said it is not true that schools fail to teach how to read and write. He said phonetics is taught in Mill Valley.

$179,651 In Job Contracts Awarded By Tam High Board

Tamalpais Union High School District trustees last night awarded school work contracts totaling $179,651.

Included was $166,914 for remodeling of Wood Hall at Tamalpais High School to make an additional six classrooms in the present office area. The contract was awarded to Zoellner Construction Co. of Ross, lowest of eight bidders. Highest bid was $193,727 by Ira W. Coburn Co. of San Francisco. The project will be financed with bond money.

The trustees awarded the contract for reroofing the gymnasium and locker room area at Drake High School to Roofing Service and Supply Co. of San Rafael at $6,327. The only other bid, that of Western Roofing Co. of San Francisco, was withdrawn.

Contract for additional student lockers at Redwood High School was awarded to Worley Locker Co. of San Francisco, the lone bidder at $6,410.

The board accepted the resignation of Mrs. Hellen Russel, teacher of the deaf for the district. She resigned because her husband, also a teacher of the deaf, had been transferred to Berkeley.

Why good drivers in California are switching to Allstate Auto Insurance

1. They find that, year after year, Allstate policyholders have saved real folding money on their auto insurance. You can't buy better protection—so why pay more?

2. They like the Good Driver Plan which offers lower rates to drivers with accident-free records and higher rates to drivers with chargeable accidents.

3. They like the way Allstate has pioneered with its Protection Against Cancellation Program for auto liability insurance. After 90 days new policyholders are protected against cancellation for a full five years from the date of their policy subject only to the conditions below.

If the policyholder or any member of his household is convicted or forfeits bail for: driving under the influence of intoxicating liquor or drugs; hit-and-run driving; vehicular homicide; car theft; driving while license is suspended or revoked; or making false statements in driver's license application. If the insured makes false statements in his insurance application, or fails to assist the company in defending him against another person's liability claim. If the policyholder fails to pay the premium when due, or ceases to reside or register his car in California, Arizona or Nevada. These benefits apply to private passenger autos, individually owned, or owned by husband and wife . . . but are not afforded to assigned risks.

These are the only conditions under which Allstate's protection against cancellation of auto liability insurance does not apply or can be withdrawn.

No wonder Allstate writes more auto liability insurance than any other company in the world. Why don't you see or phone an Allstate Agent now

Zoning Ordinance Passed In Fairfax

Five years of work by the Fairfax Planning Commission bore fruit last night when the city council passed into law by vote of 4-0, the zoning ordinance.

The law will go into effect in 30 days. Absent from last night's meeting was Councilman Clyde P. McKinney.

The new ordinance is the first zoning ordinance in Fairfax since 1947. Under it, the council will be relieved of the need for ruling on most small variance and permit requests, with a great deal more authority being vested in the planning commission.

The planners approved the law last Dec. 30. Since then, several public hearings were held by the council.

A permanent police eligibility list of six men who received the highest scores on a recent civil service examination were approved by the council. The examinations were given by San Anselmo Police Chief Raymond R. Buchinagni and members of his force.

Police Commissioners Rolfe M. Ockenden and Clyde P. McKinney and Police Chief Clifton Cordes were authorized to make a selection from the list to replace Officer Norman Christiansen, who will retire on Oct. 1.

The six eligible men are Alan L. Perry, 332 Florabelle Avenue, San Anselmo; William L. Dooley, 27 Warren Court, San Rafael; Herbert M. Christian, 116 Greenfield Avenue, San Rafael; Julius T. Johnson, Ventura and Kenneth E. Wagner Jr., 921 Butterfield Road, Sleepy Hollow.

An ordinance prohibiting parking at night on Fairfax streets was introduced. The law, if passed after two public hearings, would call for a fine of not more than $500 and/or a six-month jail term for parking on a city street for more than 10 minutes between 2 a.m. and 6 a.m.

The Fairfax council also approved construction of two houses on lots on Scenic Road and in Fairfax Heights by Floyd Nolan, Fairfax contractor. The planning commission had refused Nolan's request for setback variances.

HELPS DRIVE—Louis Perini Jr., 4 Dumfries Terrace, San Rafael, vice president for western operations of the Perini Corp., San Francisco, has been named San Francisco chairman for the nationwide $7,550,000 improvement program for Tufts University, Medford, Mass.

Rezoning Rejected For Piper Lane In Fairfax

Three acres of land on Piper Lane adjoining Manor School will remain under multiple zoning, the Fairfax City Council decided last night.

Abstaining from voting was Councilman Rolfe M. Ockenden, the only council member who supported a petition of 20 Piper Lane residents urging that the land be rezoned to single family residential. Councilman Clyde P. McKinney was absent.

L. B. Fleischman of Mill Valley, present owner of the land was told by the council that he could place only 27 apartment units on the property.

The land was originally zoned agricultural but given multiple zoning, limited to 30 units, in 1951 when it was owend by Mr. and Mrs. Tom Hotchkin of Fairfax. Both Mr. and Mrs. Hotchkin argued that rezoning the land to single family residential would work a hardship on the new owner who had bought it with plans for multiple use.

"You are using your office to better your own means," Hotchkin shouted at Ockenden after the councilman had said the "only sensible planning" would rezone the land to single family use.

(Ockenden is owner of a 12-unit subdivision, Oak Glen, adjoining the Fleischman property.)

"I am only trying to uphold these people's property values," said Ockenden, referring to the 20 petitioners. "I would do the same for any group."

Champion Answers McCarthy

SACRAMENTO (AP)—Finance Director Hale Champion says Robert I. McCarthy is wrong about Gov. Edmund G. Brown's governmental reorganization plan.

McCarthy, who resigned as motor vehicles director last month, said yesterday the reorganization plan will add four $25,000-a-year bureaucrats without saving money.

Champion replied that McCarthy "either hasn't read the legislation involved or doesn't understand it."

The first stage of Brown's plan, approved by the 1961 legislature, calls for the elimination of seven minor agencies and the grouping of some departments under four new super-agencies, each with a $25,000-a-year chief.

The long-range plan calls for more super-agencies and eventual elimination or modification of 100 out of 137 existing boards and commissions.

Champion noted that the first stage, effective Oct. 1, doesn't provide new money for the new super-agency chiefs' salaries, but instructs them to earn their pay through economies in the departments under their control.

Belvedere Resident Is Censured

A Belvedere resident who criticized two city employees "while they were carrying out their business duties in an approved manner" was censured by the Belvedere city council last night.

Mrs. Richard E. Doyle of 4 Bellevue Avenue will be asked "to desist from further interference with city employees in performance of their duties," the council decided.

Complainants were Police Sgt. Robert W. Scheiner and city maintenance employee Louis Soldavini.

Soldavini reported Mrs. Doyle had "called us liars, crooks, used vulgar language" when he and Scheiner were correcting a sewage backup at the Cove Road Pumping Station at 7 p.m. Sunday.

Sergeant Scheiner said Mrs. Doyle "raised her voice and shouted at me, saying that we were waiting until after dark to pump raw sewage into the cove so that she couldn't check. . . . I have never taken abuse like this in my two years here or four years on a police force elsewhere."

(Mrs. Doyle and City Manager Britton Rey have long been at odds over Belvedere's sewer problems.)

City Manager Rey said: "I am disturbed because of the effect of this on the morale of our employees who are loyal and conscientious. I have put up with Mrs. Doyle for many years."

Councilman Ida E. Scott expressed concern over employee morale and initiated the council's vote of confidence in the employees.

The city council tabled action on the four sewer facility bids until an adjourned meeting Sept. 19, so they could be checked by the city engineer.

The council approved parking facilities for the addition to Herbert Sherbet Shoppe on th Boardwalk.

CALIFORNIA INCOMES HIT RECORD LEVEL

SACRAMENTO (AP) — California's personal income reached a record level during the second three months of this year, the State Finance Department reported today.

Earnings in April through June were above the second quarter of 1960, and would total 45.3 billion dollars at an annual rate. The gain for the nation as a whole was 2½ per cent.

Total personal income for 1960 was 43.5 billion dollars, about two-thirds of which was from wages and salaries.

3 Possible Reasons For Knight Move

SACRAMENTO (AP)—Goodwin J. Knight's candidacy for governor can be taken any way you want to look at it.

1. A stop-Nixon movement aimed at an old political adversary who helped push him out of the 1958 race for re-election.

2. A gamble that Richard Nixon won't run for governor after all.

3. Simply a comeback attempt by an old Republican campaigner who obviously enjoyed being governor from 1953 through 1958.

Democratic Gov. Edmund G. Brown, a certain candidate for a second term, quickly cast his vote for the first theory.

"Mr. Knight's announcement at this early date—a full nine months before the primary—is a transparent attempt to keep Richard Nixon out of the race," he said in a press statement.

"But I will leave it to these two worthies to fight their own battles.

Fairfax Gets New Building Inspector

John Carl Uhte, 69, Fairfax Planning Commission member and a retired San Francisco schoolteacher, last night was appointed Fairfax building inspector.

The appointment was subject to confirmation that Uhte is not receiving retirement money under the state employees' retirement system. The state code prevents city officials from being under the state system. Uhte is retired under the state teachers' retirement system.

Uhte's appointment followed resignation as building inspector last night of City Clerk Alice Leonesio, who has been acting as temporary building inspector. Mrs. Leonesio was called incompetent last week by the Marin County Labor Council.

"Every time I go downtown I take a ribbing on this," said Mrs. Leonesio, waving an Independent-Journal clipping of the Labor Council story. "Do those fellows really think I am going around climbing on buildings?" She received permission of the council to write the council of her displeasure.

Uhte, of 51 Bothin Road, Fairfax, was a builder from 1922 to 1926. A graduate of the University of California and San Jose State College, he retired in 1955 from the San Francisco school system where he taught shop work, cabinet making and mechanical drawing.

Sterling Coffee House Is Sold

The Sterling Coffee House, 920 B Street, San Rafael has been sold by Sterling and Ruth Whitt of Woodacre, it was announced today.

The restaurant has been purchased by George Brown of 1044 Sir Francis Drake Boulevard, Kentfield. Brown said that he will continue the operation under the same name. He was previously owner of Brown's Coffee Shop in San Anselmo, which was sold Aug. 1.

The transaction was handled through Harry Abras of Redmond Realty, San Rafael.

Garety Wins Approval For Diagnostic Plan

Dist. Atty. Roger P. Garety won unanimous approval of Marin County supervisors yesterday of his proposal to contract with the state director of corrections for diagnostic help in dealing with persons convicted of felony in Marin County.

He said the state has facilities for making diagnoses and also providing treatment if necessary. Such aid frequently assists courts in deciding whether to sentence to state prison or county jail or to allow probation, he reported.

Superior Court Judges Richard M. Sims Jr. and Thomas F. Keating have said they will make use of this service if it is provided, Garety said.

Asked about possible costs, Garety said they would not exceed $400 per case and that infrequent use of such facility would be made.

The board voted approval after Administrator Alan Bruce reported money could be used from a $2,500 budget sum held for "maintenance of prisoners in other jails."

The supervisors also:

1. Received a county counsel opinion that they had no responsibility in connection with a damage claim against West Marin School District.
2. Received warning from the California Farm Bureau Federation to exercise care on obtaining road fill material containing weed seed, and asked the Public Works Department to take precautions.
3. Were told by Administrator Bruce that two appointment requests from Sheriff Louis Mountanos—for H. C. Lennen as deputy sheriff and Janet B. Dennis as typist clerk—were "in perfect order and full accordance with the merit system."
4. Took under consideration a Mountanos request for $750 to repair the roadway to the Marin City sheriff's substation.
5. Voted approval of "Slow—Narrow Road" signs in Country Club Heights east of San Rafael but refused "25-mile limit" signs on the theory that they would encourage that speed.

Employee Given Award From A.F.

James L. Smoot, 28, of San Rafael, a civilian employee at Hamilton Air Force Base, has received the largest financial award ever given at the base for suggesting changes in Air Force procedures.

He received $900 for a suggestion he filed more than two years ago — March 12, 1959. Smoot is placement assistant in the civilian personnel office.

The suggestion resulted in decision to discontinue a file of "designations of position sensitivity on a permanent basis." Inasmuch as about 86 per cent of Air Force civilian positions are designated "sensitive," it is estimated Smoot's suggestion will save the government about $50,000 a year throughout the service, according to the Hamilton information officer.

Fairfax Man Ordered To Cease Building

The builder of a triplex on Fairfax city-owned property on Pine Drive must cease and desist, the Fairfax City Council ruled last night.

Council members who visited the property reported A. B. Whittemore was given a permit in 1949 to build a rumpus room in his basement. The project, still unfinished, has grown into a full-fledged three-unit dwelling, the councilmen charged.

Wiring, obviously for kitchens and extra baths, is "tucked back into the walls so it can't be seen," the councilmen said.

City Atty. Wallace S. Myers cautioned councilmen to make sure Whittemore was violating the law before they issued their order. "He probably violated his permit, but that is only a misdemeanor," Myers said.

Mayor Kenneth M. Edgar said the electrical and plumbing inspector would be sent to the house today to officially rule on illegalities in wiring and plumbing.

The ruling represented a victory for Max Kimball, realty broker of 183 Pine Drive, next door neighbor of Whittemore, who had opposed the project since it began.

WHERE IT HURTS — Sixto Rodriguez, left, California light heavyweight champ from San Anselmo, pounds away at the mid-section of Carl (Bobo) Olson, former world middleweight titleholder, in the second round of their bout in San Francisco last night. Sixto won a unanimous decision. (AP Wirephoto)

Sixto Beats Bobo At His Own Game

An elated Karl Ashley today praised his charge, Sixto Rodriguez, for his heady fight last night in decisioning former middleweight champion Carl (Bobo) Olson in a 10-rounder in San Francisco's Civic Auditorium.

"Sixto just outsmarted Bo-Bo," said the San Anselmo business man who manages the California light heavyweight champion, also a Hub City resident.

Ashley gave Rodriguez full credit for the strategy which saw Sixto surprise the veteran Olson by beating him at his own game—body punches.

"It was something he worked out for himself in the ring, not something we had planned in advance," said Ashley.

The 23-year-old San Anselmo tilesetter and the balding 33-year-old ex-champ took turns rocking each other in a lively brawl. When it was over, all three judges named Rodriguez the winner. Referee Jack Downey scored it 6-4, judge Fred Apostoli had it 6-3, and judge Vern Bybee 6-2. Both fighters weighed 178 pounds.

What is next for Rodriguez?

Well, said Ashley, there's a thrice-postponed bout in Lima, Peru, with South American light heavyweight champion Maura Mina. But, the manager added, he would postpone it a fourth time for a return match with Olson. "That is the one we would like to have," he said. "And I think Bobo would like it, too."

Next time, however, Rodriguez will demand a bigger share of the gate, Ashley added. "We fought cheap this time because it was Olson who was the big gate draw," Ashley said. "Next time, it will be the other way around."

A crowd of about 3,500 paid $10,593.50 to watch last night's Bennie Ford-promoted card.

Ashley said he thinks Rodriguez will have an easier time with Olson the second time around. "Sixto wasn't as sharp as he migh thave been last night because he had had a long layoff between fights," the manager explained.

Last night Rodriguez, a 2½ to 1 underdog, surprised Olson by pouring leather into Bobo's midsection. The body punishment is usually Olson's stick in trade. But Sixto piled up points inside in the second, third and fourth rounds with his attack. Olson appeared to take charge in the middle sessions, but it was Rodriguez who finished strongest in the 10th.

"We knew that in training Bobo had worked on protecting his glass jaw," Ashley said this morning. "That is probably what gave Sixto the idea to lower his sights and pound away at the body. It paid off. And I think it was the first time that Olson was ever beaten inside."

Yank Homer Show Moves Into Chicago

By ASSOCIATED PRESS

The magic number for Roger Maris is four. Make it seven for Mickey Mantle, add another for the New York Yankees' charmed digit, and that's the situation as the chase for Babe Ruth's home run record and the American League pennant resumes tonight.

After a one-day respite, the M&M homer hammerers move into Chicago with 10 games in an eight-day period remaining in which to tie or surpass the Bambino's home-run record of 60 under the 154-decision allotment decreed by Commissioner Ford Frick.

AHEAD OF RUTH

Maris, with 56 homers, is four games ahead of Ruth's record pace of 1927, while Mantle, with 53, has fallen two behind for the showdown stretch—night games at Chicago tonight and tomorrow and a day tilt Thursday, a twi-nighter at Detroit Friday, followed by day contests Saturday and Sunday, a twi-nighter at Baltimore Tuesday, and a night game Wednesday.

The Yankees, leading the runner-up Detroit Tigers by 11½ games, need any combination of eight wins or Detroit losses to wrap up their 11th pennant in the last 13 years and the first for rookie Manager Ralph Houk.

Maris, who has found White Sox pitching the easiest in his chase with Ruth—he has tagged 13 against Chicago hurlers—and Mantle will be hitting against lefty Billy Pierce (9-8), the only AL moundsman to surrender two homers to Maris in one game. Ralph Terry (13-2) goes for New York.

LIKES THE ROAD

Mantle, who has hit 29 homers on the road to 24 at Yankee Stadium, was looking forward to the road battles. But Maris, who has hit half away and half at home, expressed indifference to his surroundings.

The Yankees, riding a 12-game winning streak, and the Tigers sat it out yesterday, maintaining the status quo at the top of the standings. In the only AL games played, Boston walloped Washington 14-4, and Minnesota beat Los Angeles, 5-2.

In the National League, Gordon Windhorn's pinch-hit homer in the inning gave the Los Angeles Dodgers a 6-5 victory over Philadelphia, and moved the Dodgers within 3½ games of idle, first-place Cincinnati.

San Francisco edged Pittsburgh 4-3 in 10 innings and St. Louis defeated Milwaukee 4-1.

Giants Continuing In 'Spoilers' Role

SAN FRANCISCO (UPI) — Just call 'em the San Francisco Spoilers.

Only 24 hours after putting a terrific dent in the Los Angeles Dodgers' pennant aspirations, the Giants mathematically eliminated the world champion Pittsburgh Pirates from the pennant race yesterday with a 4-3 clipping.

Felipe Alou did it in the 10th inning when he led off with his 17th home run of the season to bring things to an abrupt halt. It marked the fourth straight triumph for the fourth place Giants and followed a Roman carnival in which they had swept three games from the pennant-hungry Dodgers.

The home run ball to Alou was served up by Elroy Face, who had come in to start the 10th after rookie Alvin McBean withdrew for a pinch hitter. Face threw one ball, one strike and then the pitch that Alou bombed over the left center field fence.

"Well, they won this game without Willie Mays," manager Alvin Dark said afterward of his center fielder who went hitless and rapped into a double play. "But don't forget that he made some fine plays for us in the field."

Tonight it will be Mike McCormick (12-14) against Joe Gibbon (10-10) in a clash of lefthanders as the Pirates close out their two-game visit.

Only 5,512 — the second smallest turnout of the season at Candlestick Park—were on hand yesterday to watch the sixth place Bucs drop out of contention. It was virtually the same group that came off the ropes three times to take the World Series from the New York Yankees last fall. But Pittsburgh's record now is 66 wins and 70 losses.

Alou not only won the game with his homer but singled across Jim Davenport to give the Giants a temporary 3-2 lead in the third inning. Then Dick Stuart tied into one of winner Jack Sanford's fast balls for a home run, his 27th, to launch the sixth inning. Extra innings were guaranteed when Willie Mays grounded into a double play which ended the ninth.

McBean, a string bean relief pitcher making his first major league start, dueled Sandford for the first nine frames. He gave up 11 hits but was helped out of four jams by twin killings.

Sanford, who limited the Bucs to six hits, came out with his 11th win in 19 decisions.

Defending Golf Champ Faces A Rugged Test

PEBBLE BEACH (AP) — Defending champion Deane Beman skidded through his opening test only to run into tougher Billy Joe Patton today in the second round of the National Amateur Golf Tournament.

Beman, 23, insurance man from Arlington, Va., narrowly missed becoming No. 1 upset victim of this event before turning back Harry Allers, 21, of Lake Wales, Fla., 1-up on the tricky and treacherous Pebble Beach course.

Happy-go-lucky Patton of Morganton, N.C., playing in his 11th U.S. Amateur, drew a bye and watched the first-round action over the par 36-36—72 course on the edge of the Pacific Ocean.

"I'm looking forward to meeting him," said Beman. "We've never met before in match play."

The defending champion termed his opening effort from "good to awful" with his wife helpfully adding "sometimes awful awful."

Beman led 4-up at the end of nine holes but the lead was cut to one by the end of the 14th after he ran into troubles and began spraying tee shots. If Allers hadn't missed an 18-inch putt at the 11th, the match could have gone into extra holes.

Seventy-two first-round winners joined 56 who had byes to make up today's second round of 128.

Failing to reach it were John Farquhar of Amarillo, Tex., and Charles Lewis of Little Rock, Ark., both semifinalists last year; Bill Hyndman, the Walker Cup player from Philadelphia; and Bill Campbell of Huntington, W.Va., three times a Walker Cup competitor.

Gil Hodges Feels He Is Nearing End Of The Trail With Dodgers

HANLEY

Gil Hodges knews this probably will be his last season with the Dodgers. He isn't happy about it. But he isn't worrying, either.

"I can't see anything except that I'll be on the list," he said, referring to the 17players the Dodgers, like every other National League club, must put in a pool to stock the new Houston and New York clubs.

"If I'm taken, I'll go," said the most popular Dodger of them all. "I still feel I can play a couple more years. This club is so loaded with talent that it will be in contention for a number of years.

"YOU CAN'T be on a club for 16 years and enjoy the wonderful relationship I have and want to be traded. But this is a young man's game. If I had a choice in being traded, I'd naturally prefer New York where my home is.

"I've heard—not from anyone connected with the Dodgers—that I will be on the New York team next year. I haven't given too much thought about next year because, in the first place, there's nothing I can do about it, and, in the second place, we're still in this 1961 pennant race even though we didn't help ourselves by losing those three in Candlestick to the Giants."

Everybody likes Hodges, teammates, opposing players, umpires and front office men. He has never been ejected from a ball game.

NOW 37, Hodges remembers many thrilling experiences in his brilliant baseball career which, he hopes, will ultimately lead to a manager's job after his playing days are finished.

"Of course, I shall always remember Stan Feezle, a Dodger scout who recently died, signing me in August of 1943," he said. "I had two years in at St. Joseph's College in Indiana and my dream at the time was to be a high school coach. The Dodgers first sent me to Olean, N.Y., and after trying out at practically every position, Branch Rickey decided I should be a catcher."

In the winter of '43 Hodges went into the Marines, served in the South Pacific, and was discharged in February of 1946. In the middle of the '48 season, the Dodgers brought a catcher named Campanella up from St. Paul and Leo Durocher converted Hodges into a first baseman. Thereafter, the Dodgers jelled.

"AS I SAID," Hodges recalled, "the first highlight of my career was my signing by Feezle. But the most satisfying was the first time I put on a major league uniform and walked onto the field. There I was a kid from a small town (Petersburg, Ind.) who never dreamed of being in the big leagues, and all of a sudden I woke up and found myself in New York. It's a feeling difficult to express.

"There are other highlights, too. Hitting four home runs against the Braves in 1950 was one. And being called in to pinch hit in the 1947 Series, even if I did strikeout."

The Dodgers won't seem the same without Hodges but, as he said, baseball is a young man's game.

National League Managers Win

Mill Valley's Little League managers and coaches got together for their fifth annual post-season baseball game Saturday, and the National League pilots outscored the American Leaguers 5-2.

Stan Woodward clouted a home run and Lauren Buchholz and Frank Brunini got two hits apiece for the winners in the game played at Optimists Park.

The National League now holds a 3 to 2 edge in the games.

'Real' Ace Wins Las Gallinas Hole-In-Oner

Some 300 golfers participated in the Las Gallinas hole in one tournament sponsored by the Blessed Sacrament Men's Club this weekend.

The first prize of $100 was won by Ned De Grazia of San Rafael, who sunk an ace with an eight iron shortly before the tournament ended at 10 p.m. Sunday. His nearest rival was within 13 inches of the cup.

YOUTH SCORES SECOND ACE OF SEASON

A 15-year-old Tamalpais High School sophomore can now claim two holes-in-one in a single golfing season.

Elwood Frink Jr., son of Mr. and Mrs. Elwood Frink Sr. of Mill Valley, shot his second ace Saturday on the 176-yard second hole at the Mill Valley Golf Course. Earlier this year, on July 12, he had made a hole-in-one on the 145-yard sixth hole at the Lake Tahoe Country Club.

Playing with young Frank, a member of the Tam High golf team, Saturday were Rick Webb of Corte Madera and two San Francisco golfers, Herman Laugh and L. Brinnley.

John Ames Is Tournament's Best Archer

John Ames of San Rafael came out splitting the arrow in the Northwoods Bowmen's Club tournament held at the club's range in Santa Venetia.

First in the ladies division Sunday, was Mrs. "Clip" Clippinger of Terra Linda, second, Mrs. Stan Makinson of Novato. Intermediate girls, Chris Makinson, and boys, Don Graham of San Rafael. Karen Clippinger won the Junior girls medal and Paul Makinson the boys.

Scores ranged from champ John Ames' 410 to Karen Clippinger's 233.

MARIN BOWLING ROUNDUP

Bimbo Team Grabs Title For 3rd Time

For the thrid time in a row, Bimbo's 365 Bowling Team has won the championship of the Late Monday Night Mixed bowling league at Greenbrae Lanes.

Bimbo's team won the title last week by splitting 2-2 with Stenmark Construction Company. Close on Bimbo's heels was Mill Valley Motors with a total of 43 wins and 13 losses as compared to 45 wins and 11 losses for Bimbo's.

At the same alley the Boomerangs came out of the Coffee Cuppers league with the crown. Team members are Nina Sabo; Cornia Bacigalupi, Freda Kothgassner, Agnes Keegan, Coralie Nelson and Betty Holland.

Members of the championship team are: Lyle Shurtz, who sparked his teammates on with a high game of 205 in the final rounds; Barbara Molseed (187); Lynn Glover (135); and Mac Glover (160).

Director Of Month Honors To Bertoni

Whatever The Job, You Can Bet He'll Be Among Hardest Workers

In recognition of his valued and continuous service to the organization, we are pleased to announce that Peter Bertoni has been designated as Director of the Month.

Anyone who has had close association with the operation of the club will agree that Pete Bertoni is another one of those dedicated "work horses" who customarily give so freely of their time and effort in helping to make the organization what it is today. It was not very long ago that Pete completed his term as president, and we are all familiar with the fine job he did in that capacity. Now as a member of the Board of Directors, his service to the club continues in the same high level of performance, much to our good fortune.

His fellow directors are in the best position to attest to Pete's fine cooperation on the board and to his commendable interest in the welfare of the club and of its members. Pete is an ardent advocate of conservation and he has assisted the club materially in championing legislation beneficial to conservation and to sportsmen. Additionally, due recognition should be given to his consistent help in connection with the various projects undertaken by the organization. Whether it be the picnic, banquet, sports show or construction and repair work, you can be sure that Pete is in there doing his fair share and more.

It is with a great deal of pride and pleasure, therefore, that we award the title of Director of the Month to Peter Bertoni.

Some Coming Events For The Ladies

The next regular meeting of the Ladies Auxiliary, of the Marin Rod and Gun Club will be held at the clubhouse, Pt. San Quentin, Tuesday, Sept. 26, at 8:00 p.m.

We are sorry to have to announce that our spaghetti dinner on Saturday, Sept. 16 has been cancelled.

Thursday nights 8:00 p.m. is bowling at the Country Club Lanes.

Rifle chairman Helen Schacht will have a meeting of her group at King Cotton. For date and time contact Helen.

Emmabelle Herak, fishing chairman has chartered a boat for Tuesday, Sept. 19, to take the ladies salmon fishing. Good luck to the ladies.

Entertainment chairman Anna Franke will have a silent auction at the September meeting.

Entertainment, refreshments and initiation. Please plan to attend our meeting. Guests are welcome.

Leo Ciucci Confined To Hospital

Leo Ciucci, director of the Marin Rod and Gun Club, is confined to the Marin General Hospital in San Rafael.

Leo, one of the stalwarts of the club, is getting along nicely and expects to return home by the end of the week. All the members and his friends hope for a speedy recovery and that he will soon be up and around as usual.

Split Waterfowl Dates Fixed By Commission

A 68-day split waterfowl hunting season with a daily bag and total possession limit of five ducks and six geese has been set for most of the state by California's Fish and Game Commission. The Commission set separate seasons and limits for two specific areas of the state—the Tule Lake-Klamath Basin bordering Oregon and the area along the Colorado River bordering Arizona.

The first half of the general split season opens at noon Saturday, Oct. 14, and continues through Monday, Nov. 20, a total of 38 days. After a three-week interval the second half of the season opens at noon Saturday, Dec. 9, and continues through Sunday, Jan. 7, a total of 30 days.

The Tule Lake-Klamath Basin area will have a straight 75-day waterfowl season opening at noon Saturday, Oct. 21, and continuing through Wednesday, Jan. 3, with a duck bag limit of four per day and eight in possession.

Statewide the daily bag and total possession limit on geese is six, of which not more than three may be of the dark spices. No Ross's geese may be taken.

Statewide no canvasback or redhead ducks may be taken, and only one wood duck and one hooded merganser are permitted in the daily bag and possession limit.

On coots and gallinules, statewide, the bag and possession limit is 25, either separately or in the aggregate of both species.

The brant season is Dec. 2 through Jan. 30, with a bag and total possession limit of three. Shooting hours are from one-half hour before sunrise to sunset including the opening day.

The jacksnipe season is Dec. 2 through Dec. 31, with a daily bag and total possession limit of eight, and with special shooting hours from sunrise to sunset, including opening day.

Shooting hours for ducks, geese, coots and gallinules are from one-half hour before sunrise to sunset, with the exception that no shooting is permitted until 12 noon on opening days of the season, including the second opening day of the split seasons. Remember, a California hunting license and a $4.00 federal duck stamp is also required.

Upland Game Bird Hunting Picture Given

Pheasant, quail and chukar brood counts by the Department of Fish and Game forecast average or better hunting seasons on these upland game birds this year in the north and central areas of the state, with hunting expected to be very spotty in southern California and on the desert side of the Sierras.

Timely rains in the late winter and spring resulted in good pheasant production in the state's major pheasant areas and good quail production from the Tehachapi Mountains north.

Continued severe drought and poor feed conditions during the nesting period cut down upland game bird production this year in most areas of southern California and the Inyo-Mono country, but there are local exceptions.

Quail season opens statewide Oct. 28, ends Dec. 17 in the northeastern corner of the state, and continues through Jan. 1 in the rest of the state. An exception is the additional special mountain quail season in portions of the central Sierra, Sept. 30 through Oct. 8.

Pheasant season opens statewide Nov. 11 and continues through Nov. 26 in most of the state. Exceptions are that pheasant season continues through Dec. 10 in Imperial County and eastern Riverside County, and that the season on two state-operated pheasant co-ops in southern California ends Nov. 20.

A Reminder On State's Lion Bounty

Regulations on payment of the California state bounty on mountain lions require that the bounty claim be submitted within 30 days after the animal is taken, reminds the Department of Fish and Game.

The DFG notes that claims file dafter the 30-day period may be delayed as much as a year, since they can be paid only by State Board of Control payment from an appropriation by the state legislature.

The state pays a bounty of $60 for female mountain lions and $50 for male mountain lions.

The entire skin, with scalp an devidence of sex attached, must be taken or shipped by prepaid express to one of the DFG's regional offices in Redding, Sacramento, San Francisco, Fresno or Los Angeles. The hides must be prepared so there is no odor. A single claim must be presented for each animal killed, and hides must be accompanied by an affidavit of the claimant in duplicate forms obtained from the Department of Fish and Game.

Bond Show Slated

The Marin Rod and Gun Club will present the "Jim Bond Show" on Jan. 27, 1962.

An illustrated lecture with color slides and movies will depict hunting and fishing in the Far North.

Mr. Bond has appeared in San Rafael several times and his presentations have been interesting, informative and educational.

Club Plans Regular Meeting On Friday

The regular monthly meeting of the Marin Rod and Gun Club will be held on Friday, Sept. 15, at 8 p.m. in the clubhouse at Point San Quentin.

George Difani, legislative representative of the sportsmen of California, will be the speaker. He will tell how the new laws were enacted by the last session of the legislature that will affect hunting and fishing.

Difani for many years has represented sportsmen in Sacramento, and will not only discuss action during the past session but needed new legislation to improve hunting and fishing. Plan now to attend and bring a friend who is interested in outdoor recreation and wildlife.

Through the San Rafael Fire Department a picture entitled "Fire Prevention in Our Schools" will be shown.

Several new candidates will be initiated. Refreshments will be served.

REA Council Schedules A Sunday Get-Together

A meeting of the Sportsmen's Council of the Redwood Empire will be held at Lakeport on Sunday, Sept. 17 at 10:00 a.m. in the Rainbow Inn.

The Marin Rod and Gun Club is a member of the SCRE, which organization is devoted to the interests of sportsmen and to the furtherance of conservation. Many important matters which are vital to these interests will be taken up at the meeting. You, as members of a sportsmen's club, have a definite stake in the proceedings and you should therefore make every effort to attend the meeting at Lakeport.

It is hoped that the Marin Rod and Gun Club will be well represented at this important meeting on Sept. 17. Our club is dedicated to the principles of conservation and good sportsmanship. A heavy turnout would further demonstrate our dedication.

Bass Fishing Excellent This Summer

Striped bass fishing has been excellent during the summer in deep water, especially in the Alcatraz and Raccoon Straits areas for trollers. Bait fishing is now picking up from California City to Hamilton Flats.

Salmon fishing has been under par this season. One fish per fisherman has been average the past month.

A large run of spawning salmon are heading up the Russian River. Many fish are jumping over the dam at Healdsburg, but the fish over 30 pounds can't make the grade. Wardens are helping put the fish over the dam.

Many fish were taken by snagging before the wardens came on the job.

The dam should be lowered so the fish can migrate.

Free Fishing Line Still Being Given

By this time, very few members should be unaware of the fact that the club has been giving out, free of charge, at the last few meetings a good supply of high grade monofilament fishing line. Many of our members have seen fit to avail themselves of this offer, yet the supply is still far from exhausted.

We are therefore repeating the offer in connection with the Sept. 15 meeting at which time distribution to the membership will be resumed. We've said it before, but it bears repeating. There are absolutely no strings attached—the line is free for the asking. All you need do is bring in your empty reel. We'll fill it for you.

Once again the doors will open at 7:00 p.m. thus allowing a full hour for the distribution of line prior to starting the meeting. Why not take full advantage of this opportunity while the supply of monofilament holds out?

Nomination Committee Holds Meet

The Nominating Committee, consisting of Monte Marzetta, James Magliulo, Harold Hewett, Harald Paulsen and Jack O'Connell, have held the first meeting for the selection of nominees for positions of officers of the club for the coming year. Monte Marzetta was selected chairman of the committee.

The committee will place in nomination, in the membership meeting, Nov. 17, 1961, to be voted on at the December meeting, names of candidates for the four directors and the names of candidates for secretary and also for treasurer.

The next meeting of the committee will be held Sept. 28, 1961. If you have any suggestions send them along to Monte Marzetta.

Dove, Rabbit Seasons Are Under Way

California's 1961 dove and rabbit seasons both opened statewide on Saturday, September 2, with generally good hunting reported for most areas of the state by field personnel of the Department of Fish and Game.

Dove season is September 2 through October 1, statewide, and the season on cottontail, brush and pygmy rabbits and varying hare opens September 2 statewide, closes in northeastern California on December 17, but continues in the rest of the state through January 1.

Shooting hours on doves start one-half hour before sunrise and end at sunset. Shooting hours on rabbits start one-half- hour before sunrise and end one-half hour after sunset.

The daily bag and total possession limit for doves taken in California is 10. The daily bag and total possession limit for all rabbits other than jack rabbits is five. There is no closed season or bag limit on jack rabbits.

A basic $3 angling license is required for fishing in all coastal waters and for taking amphibia. For fishing inland one $1 stamp is required for taking warmwater fish and two $1 stamps are needed for trout fishing. There are no exceptions.

PROSPECTS EXCELLENT

High Country Deer Season Start Nears

The high country, Sierra area, a one-buck territory, will open to hunting Sept. 23 and will close on Nov. 5.

Hunting prospects are excellent. However, hunters are warned to be careful with fire, as the hazard is extremely high in every area.

Hundreds of Marin Nimrods are anticipating the opening of the coming season.

The early or coastal deer season will close on Sept. 24.

Hunting has been better this year in Marin than last and a kill of 398 deer have been recorded this year so far. More will be taken before the season closes.

In 1960 only 320 were taken for the entire season.

Mendocino, the top producer of bucks has recorded 2,794 so far this season, and is topping last year's take.

Corte Madera Center Plans Four-Day Sale

Beginning tomorrow the Corte Madera Shopping Center merchants will celebrate the third anniversary of the multi-million-dollar center with a four-day sales event.

"We will be having the popular helicopter drop again," said Merchants Council president Robert Batty, "and it will be held on Saturday at 11 a.m."

The hundreds of balls dropped from the whirlybird will contain small merchandise certificates, each valued at a dollar. Some balls may carry more than one certificate, and they will be good at the places of business stamped on them.

Three of the lucky balls will carry a written certification that a person has won one of the three major prizes. These are a combination refrigerator-freezer, a portable television set and a home motion picture camera with a roll of film and carrying case.

On Friday at 7 p.m., Albert Koglar, mayor of Corte Madera, and Arthur Storhaug, mayor of Larkspur, will participate in a small official ceremony recognizing the anniversary event.

Tomorrow and Friday evenings coffee and cake will be served on the shopping center's mall.

These events will take place near the huge revolving display cake. It will be six-feet in diameter at the bottom layer, will be lighted with twinkle-lights and spotlighted.

Stores will be open 9 p.m. tomorrow and Friday.

Mill Valley Demos Set Potluck Dinner

The next general meeting of the Mill Valley Democratic Club will be a wine-tasting and international potluck dinner at 7 p.m. Sept. 22 in Almonte Hall, Mrs. Dirk West and Mrs. James Furlong, in charge of the affair, announced today.

They said the Tiburon Vintners will furnish the wine. Those attending should bring an international dish for triple the number in their party, the hostesses announced. Each person should bring his own table service and cup. Coffee will be provided.

Windows Broken

Plate glass windows, valued at $300, in the Mayfair Cleaners in the Gallinas Village Shopping Center in Santa Venetia were broken sometime Friday night by B-B pellets, Harold Remmele of 190 Park Street, San Rafael, reported to the police.

Superior Court Judge Richard M. Sims Jr. yesterday denied the petition of a convicted murderer in San Quentin that prison authorities be ordered to "cease and desist" holding up the prisoner's mail.

Charging Warden Fred R. Dickson and Sgt. M. J. Todd with removing a registered letter from the prison mail box on Dec. 18 was Leonard Ewing Scott, serving a life term for the murder of his wife in Los Angeles in 1955. His wife, Evelyn, disappeared from their home but her body was never found. Scott was arrested for the murder two years later.

In denying the petition, Judge Sims said he did so "without prejudice to the petitioner's right to prompt and timely access to the mails for the purpose of transmitting to the courts statements of fact" relating to his case.

Scott claims a registered letter to the California Supreme Court dealing with his case, now on appeal, was removed from the prison box and given back to him. Scott's petition charged that the letter was put back in the mail "when the seriousness of the offense" was realized by authorities, but the delay damaged his case in court.

NEW YORK (UPI)—The first comprehensive exhibition in this country devoted to the new art movement in Poland is being shown at the Museum of Modern Art here. The 75 paintings by 15 Polish artists will remain on view until Oct. 1.

Seminary Names Editorial Aide

Charles R. Richardson has assumed duties as editorial associate in the office of public relations at the Golden Gate Baptist Theological Seminary in Mill Valley.

He will be director of the seminary news bureau and managing editor of the Span, the monthly news magazine.

Richardson was staff writer for the Abilene Reporter-News of Abilene, Tex., for the past seven months and prior to that served 18 months with the Army in Korea and Japan. Part of this period he was a unit news editor with Pacific Stars and Stripes in Tokyo. He is single and lives on campus.

Patricia Scott, a 1961 graduate of Howard College in Birmingham, Ala., has been named alumni office secretary and will assist in the news bureau.

Hospital Plans To Add Psychiatric Service Wing

Ross General Hospital today had a green light to add a psychiatric service wing to its building, amplifying what the hospital's psychiatric unit director termed "the only integrated and coordinated service of its kind in the county."

Dr. John C. Siemens, administrator of the hospital, was unanimously granted a use permit by the Marin County Planning Commission late yesterday to construct the wing, due to be completed next May 1. The commission approval goes to the Marin County Board of Supervisors Sept. 19.

The wing will add 16 beds to the existing 72 beds, Dr. Siemens said.

Dr. J. M. Stubblebine, the hospital's psychiatric unit director, said today the wing will have a full occupational therapy room and a large audio-visual room.

"In anticipation of the approval of the wing and to celebrate the unit's second birthday, we already hired a full-time therapist," said Stubblebine. She is Judith Strout, who previously served in the Langley Porter Clinic in San Francisco.

The planning staff noted the hospital has almost double the amount of parking space required by county ordinance. Dr. Siemens indicated some additional parking may be developed in the future.

Insurance ranks next to oil and agriculture as an Oklahoma industry. There are about 850 companies licensed, including more domestic firms than 42 other states. Their assets in 1960 were 140 billion dollars.

County Planners Reject Zone Request In Almonte

A petition by Mary A. Lord of Sausalito to rezone a little more than a half acre in Almonte from single family to multiple residential was turned down unanimously by the Marin County Planning Commission yesterday.

The Mill Valley Planning Commission and numerous residents vigorously opposed it, as did the county planning staff.

Her .65-acre parcel is between Miller and La Verne Avenues, above C's Drive-In.

The planners staff said the access road planned by Mrs. Lord was "substandard in the extreme and potentially dangerous" and would "conflict with the surrounding uses and create a greatly increased demand on streets that are badly overcrowded now."

The Marin County Planning Commission late yesterday approved the 205-acre Nicasio Valley Estates, two miles north of Nicasio, as residential-agricultural with lots in excess of 20 acres per parcel.

The commission also approved a revised tentative map of a 5.7-acre subdivision in Highland Park, to be divided into nine lots, each to contain a single family residence on 20,000 square feet.

In other actions the county planning commission:

1. Granted unanimous approval to Guide Dogs for the Blind for construction of a residence and auditorium on its property on Ranchitos Road.
2. Granted the Church of the Golden Rule continued operation of a church school on the Palomarin Ranch in the Bolinas area.
3. Continued to Sept. 25 hearing on a tentative map for Del Miramar Subdivision east of Del Mar Estates No. 2 on Tiburon Peninsula.
4. On reconsideration approved architectural supervision of a drive-in theater on the site of the old Smith Brothers' Ranch dump north of Santa Venetia, provided developers treat road with oil and sand in manner approved by commission.
5. Continued to Oct. 9 petition by P. J. Vincent for adjustment to put up two eight-feet high road signs on Panoramic Highway to advertise Mountain Home Inn.
6. Granted architectural supervision application of Loyal Davis, Inc., for construction of 12-uniit apartment on south side of frontage road between Reed Boulevard and South Knoll Road, Alto.
7. Granted Alfred Mantegani permission to erect about nine signs for tenant identification on screen parallel to wall of exisiting market building at 1680 Tiburon Boulevard, Tiburon.
8. Denied, as "whimsical," a request by one of three owners that Tara View Road be changed to Tara Road in the Tara Hills Subdivision, above Hilarita Housing on Tiburon Peninsula.

Richardson Bay Proposal Is Opposed

The Marin County Planning Commission was on record today against a bid by Richard and Gloria Fess to dredge and fill and construct berthing facilities in Richardson Bay on lands under lease by the county to George Kappas.

County Planning Director Mary Summers told the commission late yesterday that the Fess proposal would block navigation and be contrary to the bay's master plan. The commission voted 3-to-2 to ask the Marin County Board of Supervisors to oppose the petition.

Commissioners Niels Schultz Jr. and George Scott voted "No." John S. Switzer, whose wife is ill, had left.

In discussion preceding the vote, Mrs. Summers said that among other things Commodore Aviation Service, based on the shore of the bay, would be "put out of business" by the Fess project.

She said that before Kappas applied for supervisor approval to sublease to the Fesses, other owners of land on the bay had organized to develop their property in harmony with one another. The supervisors have not acted on the Kappas petition.

Fess has petitioned the Army Engineers for permission for dredging and boat-berthing facilities.

Sting Ray Wounds Orinda Fisherman

Richard Richarz, 34, an Orinda fisherman, Sunday was treated for a wound caused by a sting ray after he and a companion caught several of the rays in their fishing net in Tomales Bay.

Richarz was stung on the calf of his leg while unloading the rays. He was taken by a friend to Dr. Gordon Plattes at Point Reyes Station. The flesh was pierced to the bone, Dr. Plattes said.

Police, Firemen's Ball Scheduled

The ninth annual Sausalito Police and Fireman's Ball will be held Oct. 7 in the IDESST Hall at 511 Caledonia Street.

Money from the ball will go toward the police and firemen's welfare fund. The dance, with Johnny Blake's orchestra, starts at 9 p.m. and goes to 1 a.m., announced fire Capt. Harold Cardwell.

Ross Woman Hurt In Auto Accident

Mrs. Theresa Sherry, 36, of 8 Baywood Avenue, Ross, escaped with only face cuts yesterday whether 1960 station wagon careened through the San Anselmo municipal parking lot on Magnolia Avenue and crashed into a utility pole.

On its erratic course, the car sideswiped a parked panel truck owned by Robert Rohn of 18 Fern Lane, San Anselmo, police reported.

Mrs. Sherry said she lost control of the car when she suffered cramps. She was treated at Marin General Hospital.

MRS. RICHARD Hardin, first vice president of San Rafael Improvement Club and program chairman, who has arranged unusual programs to mark the club's new term. (Independent-Journal photo)

Improvement Club Begins Fall Season With Two Events

San Rafael Improvement Club opens its fall term with two outstanding events. First will be the first meeting of the term Sept. 19 and the second the Western Barbecue at the clubhouse Sept. 26.

Mrs. Richard Hardin, club's first vice president and program chairman, has completed arrangementsf or both events. She is eminently qualified and versatile person. She studied piano and singing at Dominican College and taught piano and ballet for two years, while studying concert piano. She is an accomplished horsewoman and received many trophies for her riding and has led parades in San Rafael. She was Miss Marin County when ground for the Golden Gate Bridge was broken. She attended California School of Fine Arts and some of her paintings were entered at the California Legion of Honor in San Francisco.

Mrs. Hardin is chairman of the San Rafael Beautiful Committee and on the board of directors of Lucas Valley Hospital Auxiliary, sponsored by the San Rafael Improvement Club. She is the mother of three sons. One of these, Jan Farnsworth, is an experienced musician. He was featured with Bronte Reynolds in an article on their musical experience in Marin Magazine of the Independent-Journal.

STYLE SHOW

For the 2 p.m. program on Sept. 19 Mrs. Hardin has arranged an unusual style show. She will take the role of the shop owner. Her models, Mesdames Willis Ball, Leiton Elder, Ragnar Thaning, Eldred B. Hillis, George Melanson, Bruce Morehead and Robert Munter, will wear Snyder knits so Mrs. Hardin has called the show "Meet Me at Snyder's." Taking parts of clients will be Mesdames Josephine Murphy, G. W. Zumwalt, Lewis L. Baker and Robert J. Hauge. Mrs. Carl Riznik will do the makeup and assisting backstage will be Mesdames Andrew Ferrier and Roy N. Newgard. Mrs. Louis Yuvan Jr. is in charge of decorations.

A tea, under the chairmanship of Mrs. John Pitcher, will follow the show. Assistting her will be Mesdames Americo Oberto, Lew Baker, Julius J. Adams, Albert Chiaroni, Robert Coman and Jewel Smith. Pouring will be Mesdames Hillis, Donald F. Murray, Lawrence A. Cowen and John B. Sauter.

An honored guest will be Mrs. G. Frederick Norman, president of Golden Gate District, California Federation of Women's Clubs. Mrs. Earl W. Burns, new president of the San Rafael club, will give official welcome to the district officer.

Members and guests will gather for the Sept. 26 barbecue at 6:30 p.m. This will be the first fund raising event of the year. Early reservations are being asked. Mrs. Charles Marcus and Mrs. Clarence DeLong are co-chairmen and reservations are being taken by Mrs. Marcus and Mrs. J. R. Stickle.

Mrs. Burns has announced the names of her chairmen of standing committees and chairmen of sections. These are: Mesdames Marshall Baldwin, bridge; Emerson Yates, drama; Clerin Zumwalt, garden; Ragnar Thaning, Lucas Valley Hospital Auxiliary; Willis Ball, sewing; Edward Spurling, auditing; Lawrence Cowen, civic; William P. Held, grounds; L. L. Walsh, historian; James W. Shock, hospitality; Norris Rawles, house; Lewis Baker, new members; Herbert K. Samuelson and Andrew Ferrier, bulletin editors.

IN A TROPICAL SEAPORT setting, three members of the Tom Thumb Chapter of the Children's Home Society set the mood for the chapter's annual Starlight Ball on Saturday night at the Meadow Club, Fairfax. In the foreground, Mrs. Richard Mayer and from left, Mesdames Randolph Esplin and Robert Samilson. (Independent-Journal photo)

Far East Starlight Ball Motif

Bamboo cages with exotic birds, garlands of multi colored hand fashioned flowers and other splendors of the Far East will transform the Meadow Club into an Oriental fantasyland on Saturday when the Tom Thumb Chapter of the Children's Home Society presents its annual Starlight Ball.

Guests will be greeted by Mrs. Andrew Kozak of Sausalito, chapter president, and Mrs. Russell Wardlaw of San Rafael, general chairman.

Following the cocktail hour from 7:30 to 8:30 p.m. a candlelight dinner will be served in the dining room. Exotic centerpieces of mirror plant and especially created flowers have been designed by Mrs. Robert Samilson, chairman of the decoration committee and her assistants Mesdames Randolph Esplin and Robert Mayer.

Proceeds from the affair will benefit the Children's Home Society.

Other committee chairmen are Mesdames John Saia, invitations; George Lagier, reservations; August Zibilich, awards and Mrs. B. J. Bloch, assisted by Mrs. William McCormick, publicity.

Reservations for the dance have closed.

Legal Secretaries To Hear Assemblyman

"Boss Politics in California" will be the subject of a talk by Assemblyman William T. Bagley, guest speaker at the monthly dinner meeting of the Marin County Legal Secretaries Association to be held tomorrow at Sabella's.

Dinner will be at 6:30 o'clock preceded by the social hour at 5:30 p.m. Guests are welcome.

Marin Students Attend First Red Cross Leadership Meet

Thirty Marin high school students recently were delegates to the first Junior Red Cross leadership training center sponsored by Marin County Chapter.

Held at Northwood Lodge, Monte Rio, the five-day affair was directed by Mrs. W. C. Detsch, director of educational relations, Marin County Red Cross.

Assisting her was a staff of college students associated with Red Cross. They were Judy Boss, Dominican College, a member of Marin County Red Cross board of directors; Julie Malet, College of Marin; Richard Del Tredici, University of California; Patricia Harde, San Francisco State; and Don Allen, chairman of Red Cross at Cornell University.

They will continue to act in an advisory capacity to the Junior Red Cross county council. The 30 delegates representing Marin high schools participating in the Junior Red Cross program comprise the council for the year.

Mrs. Detsch was also assisted by Mrs. Roland Martin, Mrs. Ben Young, Harry Mack and Wallace Craig, assistant director of educational relations for Pacific area Red Cross.

Fred Sigerist, a former Marin resident who is international relations officer at Red Cross national headquarters in Washington, D.C., told of his experiences as head of an international study visit to Chile. Sigerist was accompanied at the training center by Romeo Marasigan, member of the board of governors of Philippine Red Cross, who told of Red Cross in his country.

Mrs. David Small, coordinator of volunters at Sonoma State Hospital, spoke on community services, and Mrs. A. C. Anderson, executive director of Marin chapter, and Mrs. John Shortridge, case worker, described the disaster organization.

High school student delegates were Diane Bjornskov, Pam Dana, Harry Flowers, Harold Mathis, Don Rogers from Redwood; Mike Boss, Barbara Cass, Patricia Janiss, Tim Truett, Robert Wishard from Marin Catholic; Betty Jo Bregante, Maria Fasel, Beth Hartmann from Dominican; Jeanne Convis, Mike Patterson and Susan Smith from Novato; Greg Cory, Carol Ferns, Elena Lancaster and Christine Saxton from Tamalpais; Donna Dewing, Lynn Mossi and Peggy Weese from San Rafael; Diane W. Diebel and Rolanda Madsen from Terra Linda; John Dismukes, Paula Houser and Sandra Monson from Drake; Edwin Sagrera and Charles Taber from San Rafael Military Academy.

MARIN'S SOCIAL WHIRL

Gordon Zimmermans Go To Canada For Wedding Of Son

By FLORENCE DONNELLY

Heading for a wedding are Mr. and Mrs. Gordon B. Zimmerman of San Rafael. They leave tomorrow for Montreal, Quebec to attend the wedding of their son, Gordon, and Joan Milko Saturday in the United Church of Canada at Ste. Adele En Haut. The ceremony will be followed by a reception at Far Hills Inn. Traveling with the Zimmermans is their other son, Andrew. They will return by way of Toronto, Kalamazoo and Chicago where they will visit friends. The bride-to-be lives in Winnipeg, Manitoba. Her fiance formerly resided in San Rafael where he has many friends.

HOME FROM EUROPE next week will be the Richard Cruickshanks of Sausalito, who have been traveling since Aug. 18.

MR. AND MRS. JOHN MENZIES, who recently stayed in San Rafael at the guest cottage of the Wakefield Bakers, and their daughter, Melinda, a University of California student, are touring Europe. Melinda will enroll at the Sorbonne for her junior year. John, member of the pioneer Menzies family of Marin, was reared in San Rafael.

BACK FROM MEXICO are Nancy Niederholzer and her friends, Dorothy Hogan, a College of Marin student, who vacationed at Puerto Vallarta for a month and arrived home Sunday night. Nancy, a sophomore at San Jose State College, belongs to Delta Gamma sorority. Her parents, Mr. and Mrs. Gus Niederholzer of Kentfield, also were in Mexico, but their paths did not cross. Gus and Peg, with the Alfred Smiths of San Francisco, formerly of Greenbrae, were away for a month, too. They flew to Mexico and to Oaxaca for the annual festival, visited the ruins of Monte Alban and Mitla and then flew to Guatemala City and toured Guatemala, flying home from there. The Niederholzers' other daughter, Susan, a senior at University of California, is majoring in Spanish. She attended summer school at U.C. Sigma Kappa is her sorority.

AT DEL MONTE Lodge the James K. Murphys of San Rafael have been vacationing.

MILL VALLEY has been chosen by two couples for their homes. They are Mr. and Mrs. Marshall Huddleston and Mr. and Mrs. Gary Kimball. Mrs. Huddleston and Gary Kimball are both key personnel of Pacific National Life Assurance Company and were transferred from Salt Lake City, Utah, to the San Francisco area. Marian Huddleston, the company's administrative assistant, will be celebrating her 20th anniversary with the company next year. The Huddleston's new residence is at 419 E. Blithedale. Marshall's sister, Mrs. Ethyl Rhea, who accompanied the Huddlestons from Salt Lake City, will make her home with them.

Gary Kimball, who manages PNL's Policyholders Service Department, his wife, Jilleen, and their two-year old son, Steve, moved into their house at 20 Hillcrest the first of September. Gary, a graduate of the University of Utah with a degree from the College of Business, served four years with the Air Force in Japan.

NEW RESIDENTS of Ross are the William Beesons who moved here from San Carlos and have leased the Krieger home on North Road. Mr. Beeson is the new executive vice president of Ross Valley Savings and Loan Association. The three Beeson children are Elizabeth, a Redwood High School student, and Linda and Jimmie who go to the Ross School.

VACATIONING in the Trinity Alps and Lassen National Park for a week were Mr. and Mrs. Frank B. Williams of Sausalito.

Doreen Dalecio, Robert Kelly Engaged To Wed

The engagement of Doreen Dalecio to Robert Eldon Kelly has been announced by her parents, Mr. and Mrs. Domenic Dalecio of Corte Madera at a dinner party at their home.

The bride-elect is a Redwood High School graduate and is employed at Montgomery Ward in Corte Madera. She is the sister of Judith Ann Dalecio of Corte Madera and Alfred J. Dalecio of Fairfax.

Robert is the son of Mr. and Mrs. Thomas J. Kelly of Eureka, formerly of San Rafael. He is the brother of Eugene Kelly of San Rafael, Thomas Kelly Jr. of Torrance, William Kelly of Martinez, Boyd Kelly of Hamilton Air Force Base, Richard Kelly of York, Pa., James Kelly of San Rafael and Mrs. June Antonio of Novato. He was graduated from San Rafael High School and also is employed by Montgomery Ward. They plan a Feb. 17 wedding.

Never draw the brush edgewise across the lip of a paint can. This tends to make the finger — the bristles separate and stick together in clumps.

Buffet Set To Honor New Tam Teachers

An early evening buffet supper honoring new women teachers in Tamalpais District schools will be held Sept. 21 at the home of Mrs. Frank Wulzen in Greenbrae. Guests will also include women administrators and counselors in the three high schools and the district office.

"Mama" Gravander, as she is best known as a prominent weaver, has just returned from an extensive visit to Sweden and brought back many new ideas from the art centers she visited, which she outlined for the 14 "Gravander Spinners" attending the luncheon.

Assisting Mrs. Lawlor was her daughter, Mrs. John W. Hogan of Ross, who is also a weaver.

Other Marin members of the group attending were Elsie Holden, Myrtis Copstick and Ruth Walker of Mill Valley, Destiny Argieviez of Ross and Janet Swanson of San Rafael.

Hostesses are Mrs. Wulzen, Redwood High dean of girls; Miss Alice Dolan, Tamalpais High dean of girls; Mrs. James Crabb, Drake High dean of girls; Dr. Janet Lyon, district psychologist, and Miss Eunice Reader, district director of guidance.

Probably All Brothers Fight But Separating Them Helps

(Q) "Our sons are 12 and 14. They fight constantly. Our neighbors says the boys are normal, but I think they're awful. What can I do to make them stop fighting?"

A.T.L.

(A) Probably your neighbors are right. All brothers fight. They're at their worst during their early teens. Separate the boys as much as you can. If possible put them in different bedrooms. Give each one a place to keep his own things. You can avoid friction that way. Be scrupulously fair with the boys. Don't play favorites, ever. Be sure the gifts you give them are equally attractive. Be careful not to punish them unnecessarily. Encourage each boy to find his special talents, and to exploit them. Baseball, music, swimming, scouting or anything worthwhile. If they can feel confident and successful they'll fight less. Good luck!

(Q) "My girl is 8. She is always late. Although she was tardy to school at least 40 times last year her teacher did not punish her. I'm worried about her future. How can I teach her to be prompt?"

H.S.C.

(A) It won't be easy. By the time a child is eight most of her basic attitudes are formed. Check her health. Is she well? Try to place the responsibility for promptness on her shoulders, rather than yours. I'm sorry the teacher did not punish her. I hope her teacher next year will. If she faces some unpleasant consequences each time she is late, she should try to reform.

(Q) "I work for Camp Fire Girls. I'm trying to set up groups in several schools. It is hard to get women to volunteer to lead them. Will you help me?"

C.B.

(A) I'll try, gladly. Girl Scouts, Boy Scouts and Camp Fire Girls are very worthy organizations. The adults who lead them give wonderful service. They enjoy it too. Please, friends, volunteer as a leader if you can. More help is needed in almost every school.

MRS. CLARK, DON TRAVIS ARE WED

Married at a simple evening ceremony at the First Baptist Church in San Anselmo, Sept. 4, were Mrs. Violet Clark and Donald Travis. Rev. Jerald Traeger officiated at the double ring ceremony for which the bride wore a street length brown cotton dress. The couple was unattended. The newlyweds are residing in a San Anselmo apartment.

The bride, daughter of the late Mr. and Mrs. Harry Benjamin of San Francisco, is a graduate of St. Vincent's High School there.

The bridegroom, son of Mrs. Jesse Travis of Overland, Mo., attended high school in Missouri. He served in the Air Force and was stationed at Hamilton Field.

John F. Hills Residing In Corte Madera

Mr. and Mrs. John F. Hill are living in Corte Madera following their marriage in Reno, Nev. Aug. 19 and a wedding trip at Lake Tahoe.

The bride, the former Mrs. Judith A. Petretti, is the daughter of Mr. and Mrs. Stanley Biss of San Anselmo. She chose for the ceremony a beige suit and her maid of honor, Pat Peters of Sleepy Hollow, wore a green silk cocktail length dress.

Jim F. Hill of San Rafael, brother of the bridegroom, was the best man.

The bride, who is the sister of Donald Biss and Pat Philpott, is a Sir Francis Drake High School graduate and is employed at McGraw-Hill Publishing Co. in Corte Madera.

Her husband is the son of Mr. and Mrs. William Hill of Selma. He is a Drake graduate and also is employed by Dumont Manufacturing Co. in San Rafael.

Reversal In Color

After two seasons with fashions drenched in color, the question is, will the American woman . . . who has just been emancipated to outrageous shock colors . . . now surrender to the mushroom, cinnamon, taupe, wet sand and black-browns of this season?

Never before has there been such a reversal in the fashion colors and now the "little nothing" dresses in no color may pose a problem for some color enthusiasts and make a few others downright unhappy.

The key to this dilemma, according to the Fashion Coordination Institute, is jewelry . . . bright, sparkling, colorful jewelry that will bring the woman's spirits a lift as well.

The clue to color for fall is a strong look of contrast to complement the smokey colors and stark blacks of the fall fashions. The "real look" is everywhere in bright sapphire, emerald, deep ruby, in semi-precious colors of amethyst and topaz, and of course, gold which looks totally new in polished and antiqued finishes. The soft glow of gold is a warm and bright jewelry accent for the neutral fashions. And pearl necklaces with elegant jeweled clasps have special appeal for the little black dress that is so popular.

Trip To Orient

Mr. and Mrs. Allen M. Olinger of San Francisco left Thursday aboard the President Wilson bound for a six weeks trip to the Orient. Mrs. Olinger is well known in Marin for her work in the P. E. O.

Marin Women

Linda Cato, Eric Sandahl Jr. Married In Woodland Church

The Methodist Church in Woodland was the setting for the wedding of Mr. and Mrs. Carl Eric Sandahl Jr., who are now at home in San Rafael after a Lake Tahoe wedding trip.

The bride, the former Linda Rae Cato, is the daughter of Mr. and Mrs. William R. Cato of Woodland, and she was given in marriage by her father for the wedding, performed by the Rev. Harry Vise. She donned a full-length peau de soie gown with chapel length train.

Marilyn Scott of Woodland, the maid of honor, wore an ice blue dress of taffeta. Bridesmaids were Patricia Towse, Diane Fritter and Mrs. Lou Ann Beau, all of Woodland, and Sandra Sandahl of San Rafael, all wearing ice blue taffeta. Sandra is Carl's sister.

Leanne McIntyre was flower girl. Best man was Marin Driesbach of Oakland. Seating guests were Ron Tierney of San Jose and W. P. Foster of Berkeley, Edward Aguilar of Berkeley and Richard Hoyt of San Pablo.

After the evening ceremony guests gathered at reception at the home of the bride's parents.

Linda is a Woodland High School graduate and attended the University of California.

Carl is the son of Mr. and Mrs. Carl Eric Sandahl of San Rafael. He is a San Rafael High School graduate and was graduated in June from UC, where he was a member of Alpha Kappa Lambda. He is employed by the Pacific Gas and Electric Co. Mr. and Mrs. F. M. Dreisbach of San Leandro are his grandparents. Carl is a second lieutenant with the U. S. Army and the couple will travel to Ft. Harrison, Ind. on Oct. 1.

Artists At Fair

Nellie Rucker of Ross and Elizabeth Vreeland of Mill Valley demonstrated mosaics and portrait painting respectively at the recent Lake County Fair in Lakeport.

Leather Boots Leagues Ahead For This Fall

Fashion will take seven league strides this fall in high styled leather boots.

Boots were on parade at the recent display of fall footwear presented by Shoe Fashion Service of Leather Industries of America. Editors previewed boots for smart city wear in smooth and suede leather, boots for country wear in brushed and grained leathers and boots for sportswear in shearling-lined leathers.

Designed in soft supple leathers in leading fashion colors, town boots are a joy to behold — and to wear. Lightweight, water-resistant leathers provide a perfect answer to both cold feet and high fashion. Set on slim, trim leather soles, this year's boot fashions have completely replaced the old overshoe look.

A natural footnote to the season's new flared skirts and coats, the daytime boot with its mid heel and pointed, crescent or square toe will be an asset in the fashion wardrobe. Leather linings stay smooth and comfortable, help keep you and comfortable, help keep your feet dry and happy. The evening boot sets a new style pace this year in crushed grain leathers or smooth jewel-toned kid and calf leathers.

For the teen, the boot plays a double role: it accentuates the grace of flared skirts and, simultaneously, balances the bulk of heavy knit sweaters. For younger fashions, the casual boot is set on a flat heel. However, when she walks out on a date, a girl likes to wear low heel boots that rise to mid-calf heights.

Vance-Madrieres Wedding

Notre Dame Des Victoires Church in San Francisco was the setting on Saturday for the wedding of Suzanne Louise Madrieres of San Francisco and Michael Macondray Vance of Kentfield.

Rev. Julian Marquis officiated for the 11 o'clock ceremony.

The bride is the daughter of Mr. and Mrs. George Madrieres of San Francisco formerly of Sleepy Hollow. Parents of the bridegroom are Mr. and Mrs. C. Albert Vance of Kentfield.

For her wedding, the bride chose a white gown of taffeta and Venetian lace. The Victorian skirt extended into a chapel train.

Maid of honor was Dominga Elena Vance of Kentfield, the bridegroom's sister. Honor attendants were Mrs. Jean Madrieres, Jacqueline Jean and Janine Duchein. They were gowned in Kelly green satin. Little Kelly Madrieres, the bride's niece, as flower girl, wore a gown of organza.

Michael Iribarne of San Rafael was best man. Ushering guests to their seats were Lawrence Soldavini and Frederick Sollom of San Rafael and Jean Madrieres, the bride's brother.

A reception followed the ceremony in the Gold Room of the Fairmont Hotel.

Suzanne was graduated from Marin Catholic and attended San Francisco College for Women.

The bridegroom was also graduated from Marin Catholic and attended College of Marin.

The newlyweds will reside in Marin.

Advance Look At The New Yule Decorations

CHICAGO (UPI)—An advance look at the new Christmas decorations turns up some surprises.

Traditional Yule decorations in red and green are still to be had. But there is far more emphasis on the unexpected and the unusual in most of the Christmas decorations which dealers previewed at the late summer china glass and gift market at Chicago's merchandise mart.

Most unusual was a "Christmas by the sea" collection. The base of the tree in the group was coral, while tree trimmings included starfish, snail shells and small pieces of bramble, all colored deep turquoise. The collection is expected to be most appealing to residents of warm climates and winter resort areas in the South.

Christmas decorations with a more northern back-to-nature look included swags, flat wreaths, castle lights, wall trees and espalier table trees—all in earthy tones of brown. Combinations of dried lotus pods, Norway spruce, blue spruce, pine cones, poppy, cotton and agave pods and dried artichokes provided the textural interest of these brown decorations fashioned by a floral designer.

A wreath of natural colored hay with a spray of wheat at one side was said to be Swedish in inspiration.

Avant-garde decorations included a rust-finished tole and cast iron group with swag, wreath and angle for wall hanging. Strings of tree lights in the same group were shaped like strawberries, cherries, mistletoe and icicles.

For the very formal room, there was a satin-brass tree, filled out with prisms like a chandelier and hung with real candles.

Up-to-date versions of the old fashioned chains for tree and ceiling were made of satin balls strung on brass chains.

Newest Yule colors were combinations of blue and lavendar.

Scout Calendar Being Distributed

The fall Girl Scout training calendar is being distributed to all leaders and assistant leaders by their neighborhood chairmen. All training events are scheduled for September, October and November. Registration for courses must be made two weeks prior to the start of the course at the Girl Scout office, Arequipa, Fairfax.

Basic leadership (both Brownie and Intermediate), tenderfoot rank, troop camping, pioneer camping, orientation for the use of Arequipa and Bothin Youth Center, basic swimming and standard first aid are offered during the next three months.

AFTER MISSION San Rafael Arcangel nuptials Mr. and Mrs. Kenneth A. Anderson will live in San Luis Obispo. (Du Charme photo)

Anderson-Kinsel Nuptials

Mission San Rafael Arcangel was the setting for the marriage Sept. 3 of Marilyn Frances Kinsel and Kenneth Alan Anderson, with the Rev. Richard S. Knapp officiating. A reception followed at San Rafael Improvement Club.

The bride recited vows in a embroidered silk organza gown which had a flared skirt ending in a chapel length train. Denise Dell 'Era was maid of honor and bridesmaids were Julie Malet, Judy Maples, and Judy Anderson, sister of the bridegroom. Their dresses were jade green organza over taffeta.

Bruce Anderson was best man for his brother. Escorting guests to seats were Robert Anderson, another brother; and Dale Aman and Richard Johnson.

The bride, who is the daughter of Mr. and Mrs. Wayne F. Kinsel of San Rafael, attended Marin Catholic and San Rafael high schools and has attended the College of Marin two years.

The bridegroom, whose parents are Mrs. Ruth Anderson of Corte Madera and Kenneth G. S. Anderson of Santa Maria, attended Tamalpais High School and the College of Marin. He is a student at California Polytechnic Institute at San Luis Obispo, where the couple will live following a wedding trip to Yosemite.

YOUR HOUSEHOLD

Right Little Tip May Ease Home Management Burden

Many are the facets of keeping house and the experienced homemaker has the advantage over her younger sister from her years of learning methods and developing ideas. Home management has changed rapidly in recent years as more appliances have gone into the average home.

Marin housewives, from high income families, probably enjoy as many of these machines as any group. But possessing them and knowing how to make good use of them are different things. Some tips may help give you new ideas in meal planning and home management.

Organization makes for happier families. A centrally located bulletin board for announcements and messages keeps the family members in communication with one another. Stock up on shoe laces, light bulbs, paper tissues, spot remover and a dozen sharpened pencils. Keep memo pads and pencils at each telephone. Little things such as these keep emergencies to a minimum, and life will be less hectic at your house.

In the early days of mechanical refrigeration it was necessary to cool hot foods before placing them in the refrigerator. Today in the home with a refrigerator this precaution is no longer necessary. This modern household appliance has sufficient capacity so cooling is achieved quickly. A special cold shelf provides an extra-cold area to speed the cooling process.

Oven temperature controls on modern ranges are marked from 140 to 550 degrees, plus a setting marked "B" for Broil. The temperature range between 140 and 225 makes it a "warming oven" as foods do not cook at temperatures lower than 225 degrees. The warming oven temperature can also be used for thawing frozen foods. Temperatures between 250 and 550 degrees are for baking, roasting and rotisserie cooking. Preheat the oven a few minutes before foods are put in to cook.

A stationary drying rack for a clothes dryer is now available. The rack fits inside of the drum in one of two horizontal positions—one for hanging garments such as sweaters or socks, the other for folded items like blankets. The control is set for heat without tumbling when the rack is in position.

One appliance manufacturer has invented a hair-drying attachment for 1962 models of his clothes dryers. It comes in three parts and snaps over the clothes port of the dryer. The "beauty parlor" type hood fits easily over pin curlers or rollers. The temperature controls on the clothes dryer make the heat adjustable for drying hair, too.

Extend A Room

Mirrors, paintings with deep perspective, and some scenic wall papers seem to extend a room.

TO STUDY IN FRANCE

Marilyn Lee Myers of San Anselmo, a French major at Pomona College, sailed from New York to spend her junior year studying in France under the Sweet Briar College program. After tours and language drill with the group of 88, she will spend a year at the University of Paris, living with a French family.

Check Points For Buying A Quiet House

CHICAGO (UPI) — Prospective home buyers seeking a quiet house should check for these points, recommended by Charles M. Gray, manager of the Insulation Board Institute.

Look for a house placed well back from the street. If the house is close to the street, find out whether hedge plantings or solid fences such as stone patio walls are permitted in the area. They help keep street noises subdued.

Be sure bedrooms are as far away as possible from noisier living areas. High, privacy-type windows in the bedrooms and closets located on walls common to bathroom walls will also keep down the noise in sleeping areas.

If the house was built with wood or asbestos cement shingles, ask whether sound-trapping fiberboard shingle backer was used beneath the shingles.

Be certain all doors and windows are equipped with storm windows or double glazing. Check exterior doors for weatherstripping and snug-fitting threshholds. Windows also should be weatherstripped and exterior window and door frames caulked.

Flush the toilet and run all water taps to see that there are no excessive pipe noises, which can be eliminated. Try all appliances. Noisy ones need lubrication or may be off level.

Examine the foundation of the house for cracks or openings, which should be tuckpointed to cut down the amount of noise entering the house.

Shake downspouts and shutters to be sure they are fastened snugly enough not to rattle in the wind.

Speech Clinic Opens Fall Registrations

Registrations are now being taken for Marin's speech therapy clinic, opening its third year of operation under the sponsorship of the Marin Society for Crippled Children and Adults, Inc.

Known as the Easter Seal Speech Clinic it offers a program which includes speech and hearing evaluations, group and individual therapy for children and adults and parent study groups.

Anyone wishing to enroll may call the center at 1011 E Street, San Rafael, to register with the director, Miss Beryl Martin.

New Cookbook Has 500 Recipes Plus Meal Plan Ideas

Almost every homemaker has a recipe folder or a special kitchen drawer earmarked for favorite recipe clippings. But when the perfect opportunity arises to use one of them, the recipes are usually difficult to locate, and the recipe search winds up more often than not in a painfully slow, one-by-one sorting process.

Now many of these same recipes, saved over the years by homemakers everywhere, have been compiled in a new cookbook edited by Marguerite English, writer on food and home entertaining. "Food from Famous Kitchens" represents the best from the test kitchens of America's food companies. This new cookbook has more than 500 tested recipes, and covers the wide range of food fare from appetizers to desserts and contains special sections on menu ideas, party plans, and gifts from the kitchen. The 348-page cookbook is compact in size and has 48 color illustrations.

It is available for one dollar by writing "Cookbook," P.O. Box 2188, New York 1, N.Y.

Fashion Focus To Spotlight Grandmothers

Young in heart will be the approach to fall fashions Sept. 19 when the Novamarin Grandmothers Club is the community group of the week at the 12:30 p.m. Fashion Focus luncheon and style show at Rickey's Rancho Rafael.

The grandmothers club has the Novato recreation fund as its special project and proceeds from the Tuesday event will go toward it.

The fashions are designed to take women of all ages around the clock fashionably, with the new silhouette and colors for fall, and will be shown informally during the luncheon.

Swim, Luncheon Set For Delta Zeta Alums

A morning swim and a luncheon will start off the calendar year for Marin Delta Zeta Sorority alumnae tomorrow at 11 a.m. at the Terra Linda home of Mrs. Headley Brown.

A sherry hour will follow the swim. The executive board will serve a salad luncheon at 1 p.m. A business meeting will follow the luncheon.

Stayman Convention Often Used With Support For Both Majors

Opening lead — ♣ Q

After South's opening bid of one notrump, North wants to reach a game of some kind. He has 9 points and expects this to provide a reasonable play for game at notrump or at a major suit since South's opening bid promises 16 to 18 points.

North's problem is to find out wether or not his partner has a major suit. If so, North wants to bid game in that major; if not, North wants to bid game in notrump.

CONVENTION: North finds out by bidding two clubs, the first step in the Stayman Convention. This bid says nothing at all about North's clubs, but merely asks the opener to bid a major suit if he can.

South has a four-card heart suit, so bids it. If South had four cards in each major suit, he would bid two spades and wait for a chance to show the hearts later. If South had no four-card (or longer) major suit, he would bid two diamonds.

North, as we have seen, is ready to bid game. When hearts are shown, North jumps to four hearts.

South easily makes four hearts, losing one club, one diamond and one spade. Game at notrump would be defeated by a club opening lead, for the defenders would get four clubs and a diamond.

DAILY QUESTION: Partner opens with two notrump and the next player passes. You hold:

What do you say?

Answer: Bid three clubs, the Stayman Convention. If partner shows a major suit, you can invite a slam by jumping to five of the major or to four notrump.

LAURA B. MORRIS, an incompetent person, by her Guardian, WILLIAM R. TALLEY,

Plaintiff

vs.

CHARLOTTE ANDERSON,

Defendant

Action brought in the Superior Court in and for the County of Marin, State of California, and the Complaint filed in the office of the Clerk of said County.

William R. Talley,
101 Casa Buena Drive,
Corte Madera, California,
WAbash 4-3078
Plaintiff's Attorney.

No. 34642.
Dept. No. 1.

THE PEOPLE OF THE STATE OF CALIFORNIA SEND GREETINGS TO CHARLOTTE ANDERSON

You are hereby directed to appear and answer the complaint filed in the County of Marin in an action entitled as above, brought against you in the Superior Court of the State of California, in and for the County of Marin, within ten days after the service on you of this summons—if served within said County, or within thirty days if served elsewhere.

You are hereby notified that unless you appear and answer as above required, the said Plaintiff will take judgment for any money or damages demanded in the complaint as arising upon contract, or will apply to the Court for any other relief demanded in the complaint.

The object of this action is to have the Court decree the cancellation of a deed running from plaintiff to defendant; that plaintiff be adjudged the owner in fee simple of said real property and that defendant be adjudged to have no estate therein.

The premises affected by this action are situated in the Town of Corte Madera, County of Marin, State of California, commonly known as 673 Redwood Avenue, and particularly described as:

Lot numbered Two Hundred and Twenty-six (226) in Corte Madera Woods, Corte Madera, Marin County, California, as per amended maps filed in the office of the Recorder of said County of Marin.

WITNESS MY HAND AND THE SEAL OF THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE COUNTY OF MARIN, this 21st day of August, 1961.

GEO. S. JONES, County Clerk

Shots For Flu Urged In Marin

Because of an expected rise in influenza this fall, vaccination against the infection without delay was urged this week by Dr. Joseph Alderson of San Anselmo, chairman of the Marin Tuberculosis and Health Association's Tuberculosis Control Committee.

Noting that Surgeon General Luther L. Terry of the U.S. Public Health Service had recently warned of a possible upswing in the influenza cycle this fall, Dr. Alderson pointed cut that people who have tuberculosis, emphysema, or other respiratory disease should be vaccinated immediately.

Dr. Alderson added that the National Tuberculosis Assn. was alerting its Christmas Seal affiliates to the possible influenza upswing and is asking them to cooperate in every way possible with health officers and private physicians in a drive to vaccinate high-risk groups.

Hub City Bank Open House Set

The newly expanded and modernized office of Wells Fargo Bank American Trust Co. in San Anselmo will hold open house from 10 a.m. to 3 p.m. Thursday.

Robert F. Seeba, manager, invited San Anselmo residents to join him and his staff for a "coffee break" Thursday.

Additions to both the main floor and mezzanine have increased the size of the office by 40 per cent and more than doubled the number of teller windows. The officer area, tripled in size, now includes a private conference room.

A second entrance to the bank has been provided on the west side on San Anselmo Avenue.

Sick Raccoon Shot

Mill Valley police shot a raccoon at 4:30 p.m. Saturday after it was reported by Mrs. Francis Staub of 30 Glen Drive as being sick in her patio.

Gov. Brown Tells Of Defense Need

LOS ANGELES (AP) — Americans can no longer ignore the possibility of nuclear war, Gov. Edmund G. Brown warned today.

Brown, speaking to a luncheon of the Economic Stabilization Conference, urged an awareness of the problems posed by the threat of a war.

"The Soviet Union has a new mood of confidence that is being expressed in increasingly dangerous outlets," Brown said.

"It is no longer possible to ignore the real possibility of nuclear war—even by accident—and this faces us with a challenge never before met in the United States."

The challenge, he said, is civil defense.

"In Washington and Sacramento, vigorous effort is being expended right now, today, to safeguard the people of the United States and the State of California."

He listed these preparations being made by the state:

1. A beginning of a program of surveying public buildings to find shelter areas.

2. The training of nearly 30,000 persons in California in radiological monitoring and the placing of nearly 800 radiological kits in the hands of local governments.

3. The storing of emergency food reserves including nearly 1 million bushels of wheat.

4. The addition of 47 new 200-bed hospitals this year, bringing the total in California to 174.

"We can have no more urgent business than to be ready for survival — should all our peace efforts fail," he said.

Boat Marina Permit Sought

Paradise Park Marina, Inc., an Oakland enterprise, has applied for a Department of the Army permit to construct a small boat marina along the west shore of San Francisco Bay between Pt. Chauncey and California Point in Marin County, the Army Engineer District in San Francisco said today.

County Planning Director Mary Summers said the group was granted a use permit several weeks ago to construct a yacht harbor and club.

The proposed work would include dredging about 30,000 cubic yards of material to provide a basin six feet deep, construction of a 1,000-foot breakwater and installation of mooring facilities for small boats.

Col. John A. Morrison, district engineer, said any objections must reach him at the Army Engineer District, 180 New Montgomery Street, San Francisco, by Oct. 1 in order to be considered.

Garden Society Picnic Slated

The annual picnic of the Garden Society of Marin will be held at Samuel Taylor Park from 10 a.m. to 5 p.m. Saturday in a private area reserved for them.

A. J. Daggett of San Anselmo, chairman, anounced that each member and friend should bring his own lunch, and also meat, if he wants to do his own barbecuing. Coffee, cream and sugar will be furnished.

Games and prizes will be provided by the board of directors.

Larkspur Report

Supt. Vaughn D. Seidel will report to Larkspur School District trustees on the district enrollments at 7:30 p.m. today at a regular meeting in the district office at 20 Magnolia Avenue, Larkspur. Seidel will also report on the construction progress of the new San Clemente School.

'OPERATION SPLASH'

A car plunges into a water-filled gravel pit at Williamson, Mich., in a series of tests designed to find the best way of escaping when an auto is submerged. The American Red Cross, Indiana University and Michigan State Police are cooperating in the series of tests. It is planned to dunk the cars more than 60 times and police skin divers may ride them down later. (AP Wirephoto)

Judge Rules Innocent To Horse Abuse

A San Rafael woman, charged with being cruel to a rented horse, was found innocent Friday in Marin Municipal Court by Judge David R. Baty.

From the evidence presented, Judge Baty ruled that Mrs. J. B. Everding of 9 Indian Road, San Rafael, was not guilty of criminal neglect. She was defended by attorney James McKenney.

Homer Williams of 25 Oak View Drive, San Rafael, testified that he rented the horse from Harold Gregg of Forest Knolls in August last year, and the horse was thin at the time. He said he tried to fatten the animal without success. He decided to give it back to the owner.

In the meantime, Mrs. Everding had been looking around for a horse to borrow. The horse which Williams had was turned over to her.

Mrs. Everding kept the horse from January to June of this year. The district attorney had pictures taken of the horse, and the photographs were presented yesterday by Deputy Dist. Atty. Hadden Roth.

Williams looked at the pictures and testified it looked somewhat thinner than when he had rented it from Gregg.

The judge decided that Mrs. Everding might have done more for the horse, but the evidence was not enough to convict her of criminal neglect.

Public Lecture Set Saturday

A public lecture on coping with problems through prayer will be given by Martin Broomes, a Christian Science lecturer from Beverly Hills, at 8 p.m., next Tuesday in the First Church of Christ, Scientist, in San Rafael.

The Independent-Journal reported in error Saturday that the lecture would be tonight.

HEALTH VIA FAITH

• How does christian faith relate to health?
• Is healing the will of God?
• Can prayer heal me now?

These questions and many others we ponder every day will be answered at a MISSION TO MARIN on faith and health. Conducted by Father John Maillard of Devon, England, this will be a rare opportunity for peoples of all faiths. All are welcome to come and learn.
